STATE OF MAINE
SENATE
110TH LEGISLATURE
FIRST REGULAR SESSION

(Filing No. S-173)

COMMITTEE AMENDMENT "A" to S.P. 402, L.D. 1194, Bill, "AN ACT to Ensure that the Provision for the Arbitration of Classification and Allocation Determinations in State Employee Collective Bargaining Agreements is not Inconsistent with the Personnel Law."

Amend the Bill by striking out everything after the enacting clause and inserting in its place the following:

'5 MRSA §593, first sentence, as amended by PL 1975, c. 766, §4, is further amended to read:

Any Except where otherwise provided by a governing bargaining agreement, any employee or appointing authority aggrieved by the determination of the Commissioner of Personnel concerning the classification of positions, the allocation of new positions or the reallocation of existing positions in the classified service may appeal from such determination to the State Personnel Board.'

Statement of Fact

This bill ensures that the provision for arbitration of classification and allocation determinations, as now exists in collective bargaining agreements with state employee organizations, is not inconsistent with this section of law.

Reported by the Committee on Labor.
