D. OF R.

L.D. 1517

(Filing No. S-116)

STATE OF MAINE
SENATE
110th LEGISLATURE
FIRST REGULAR SESSION

SENATE AMENDMENT "A" to H.P. 1319, L.D. 1517, Bill, "AN ACT to Define a Loose Cord of Wood for Fuel Wood Sold on that Basis."

Amend the bill by striking out everything after the amending clause and inserting in its place the following:

'A-2. Fuel wood, when sold loose and not ranked and well stowed, shall be sold by the cubic foot or loose cord, unless other arrangements are made between the buyer and seller. When sold by the loose cord, the wood in any cord shall average either 12 inches, 16 inches or 24 inches in length. When so sold, the volume of the cords shall be: A cord of 12 or 16 inches in length shall mean the amount of wood, bark and air contained in a space of 180 cubic feet; and a cord of wood 24 inches in length shall mean the amount of wood, bark and air contained in a space of 195 cubic feet.'

Statement of Fact

The purpose of this amendment is to clarify the provisions of the bill regarding length, bark and air, and to remove the 2nd sentence of the statement of fact which is in error.

(Sen. Hichens)
