L.D. 1677

STATE OF MAINE  
HOUSE OF REPRESENTATIVES (Filing No. H-522)  
110TH LEGISLATURE  
FIRST REGULAR SESSION

HOUSE AMENDMENT "A" to SENATE AMENDMENT "A" to S.P. 649,  
L.D. 1677, Bill, "AN ACT to Make Corrections of Errors and Incon-  
sistencies in the Laws of Maine."

Amend the amendment by inserting at the end before the  
statement of fact the following:

'Further amend the bill by inserting at the end before  
the emergency clause the following:

Sec. 1. 10 MRSA §1481, sub-§1, as enacted by PL 1977,  
S. 660 is amended to read:

1. Insulation. "Insulation" means any material, including,  
but not limited to, mineral wool, cellulose fibre, vermiculite and  
perlite, and  
foams to reduce ~~airflow~~ heat flow between the interior and  
exterior surfaces of a building.'

Further amend Part B by renumbering the sections to read  
consecutively.

Statement of Fact

This amendment corrects the statutory definition of "insulation"  
by changing the term "airflow" to "heat flow." This is proposed  
for purposes of clarification; it is the flow of heat in and out  
of buildings, not the flow of air, which pertains to insulation.

Filed by Mr. Davies of Orono.  
Reproduced and distributed under the direction of the Clerk  
of the House.
