Statement of Fact

This amendment includes the University of Maine and the Maine Maritime Academy in the title of the bill. The amendment removes section 6 from the bill and adds 2 new sections to the bill; one section which provides funding to the University of Maine, as recommended by the Governor, in order that the university may reach new collective bargaining agreements with their employees and another section which provides funding to the Maine Maritime Academy, as recommended by the Governor. The amendment also corrects the fiscal note.
