STATEMENT OF FACT

34 This section of law providing for a \$5 supple-35 mental weekly benefit for dependents of unemployment This 36 compensation claimants was enacted in 1975. 37 amount has not increased since its original enactment 38 even though inflation has caused costs to consumers 39 to increase tremendously during that same period. The present allowance is wholly inadequate to accom-40 41 plish the purpose which it was originally enacted to 42 serve and should be increased to meet this important 43 need.

33

1 This bill increases the weekly amount payable for 2 each dependent to \$15. It also removes the maximum 3 limitation on dependency benefits.
