14 15	STATE OF MAINE
16 17 18	IN THE YEAR OF OUR LORD NINETEEN HUNDRED AND EIGHTY-THREE
19 20 21 22	AN ACT to Clarify State Authority Regarding Higher Education Student Loan Secondary Markets.
23 24 25	Emergency preamble. Whereas, Acts of the Legis- lature do not become effective until 90 days after adjournment unless enacted as emergencies; and
26 27 28 29	Whereas, higher education for Maine residents and the financial stability of higher educational institutions in the State bear directly upon the public peace, health and safety; and
30 31 32 33	Whereas, the higher educational opportunities for many Maine residents and for students attending educational institutions in Maine depend on the availability of student loans; and

Whereas, access to such student loans would be significantly enhanced by the creation of a secondary market vehicle financed with the proceeds of federally tax exempt bonds which would not be debts or obligations of the State or any municipality; and

 Whereas, such a secondary market may be formed by one or more nonprofit corporations organized at the request of the State; and

Whereas, the amount of student lending for the upcoming academic year would be increased if such a secondary market is able to make advance loan purchase commitments to lenders prior to September 1983; and

Whereas, current conditions in the national bond markets would permit the issuance of federally-tax exempt bonds at interest rates and on terms which would be feasible and advantageous, but there is no assurance that the market conditions will be available 90 days after the adjournment of this Legislature; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

- 27 Be it enacted by the People of the State of Maine as follows:
- 29 Sec. 1. 20 MRSA §2237 is enacted to read:
- 30 §2237. Authorization for Governor to request orga-31 nizations of corporations to acquire loan 32 notes

To the extent contemplated by the United States Internal Revenue Code of 1954, Section 103, (e), as amended, the Governor may on behalf of the State request the organization of one or more nonprofit corporations to operate exclusively for the purpose of acquiring loan notes incurred under the United States Higher Education Act of 1965, as amended.

Sec. 2. 20-A MRSA §11407 is enacted to read:

- §11407. Authorization for Governor to request organizations of corporations to acquire loan notes
- 5 To the extent contemplated by the United States Internal Revenue Code of 1954, Section 103, (e), as 6 amended, the Governor may on behalf of the State 7 request the organization of one or more nonprofit 8 corporations to operate exclusively for the purpose 9 10 of acquiring student loan notes incurred under the United States Higher Education Act of 11 1965, 12 amended.

- 20 Emergency clause. In view of the emergency 21 cited in the preamble, this Act shall take effect 22 when approved.

Under the United States Internal Revenue Code of 1954, Section 103,(e), the State may request the organization of private, nonprofit corporations to issue federally tax exempt bonds, the proceeds of which will be used to purchase eligible insured students loans from lenders and thereby increase the total funds available for student loans. The bonds of such a corporation would not be debts or obligations of the State or any municipality.

The purpose of this bill is to recognize the Governor as the state official authorized to make such requests and to confirm actions previously taken by him pursuant to such authority.
