STATE OF MAINE

IN THE YEAR OF OUR LORD
NINETEEN HUNDRED AND EIGHTY-FOUR

AN ACT Relating to Funding of Thomaston
Schools for 1984-85.

Be it enacted by the People of the State of Maine as follows:

Special grant for school funding. Notwithstanding any provision of law to the contrary, the state allocation for general purpose aid shall be increased by \$121,216 for the Town of Thomaston for the 1984-85 year of distribution only.

1 STATEMENT OF FACT

2 Due to a revaluation, the value of the Thomaston
3 Cement Plant in Thomaston has been reduced by
4 \$12,800,000. This change in valuation will not be
5 reflected in state valuation until 2 years after the
6 reduction. State funding for education is based upon
7 state valuation and will not increase as a result of
8 the valuation until 2 years after the change. This
9 bill provides an immediate increase in state funding
10 for education in the same amount that the town would
11 receive if the state valuation was reduced immediate-
