'3. University of Maine; grant allocation. The department may allocate up to 25% of the state student incentive scholarship grants to eligible students attending the University of Maine, up to 2 1/2% to eligible students attending the Maine Maritime Academy and up to 2 1/2% to eligible students attending the vocational-technical institutes. If administration of the scholarship program does not result in use of all the funds allocated for Maine Maritime Academy or vocational-technical institute students by October 1st of any school year, the department shall reallocate the unused funds for use by eligible students attending the University of Maine. If the funds are reallocated, the total amount of funds allocated for use by students attending the University of Maine may exceed the percentage provided in this subsection. The balance of funds shall be granted to eligible students attending other eligible institutions of higher education.'
