SENATE AMENDMENT " A " to COMMITTEE AMENDMENT "A" to H.P. 1251,
L.D. 1761

STATEMENT OF FACT

2 This amendment corrects an error in the original
3 law which created the State Environmental Resource
4 Volunteer Effort Program, the volunteer arm of the
5 Maine Conservation Corps. The current law requires
6 the State to provide insurance for participants. Par-
7 ticipants may already have insurance either individu-
8 ally or through groups or institutions they are af-
9 filiated with. This amendment requires the State to
10 provide insurance only if participants do not other-
11 wise have injury and liability insurance, thus avoid-
12 ing duplicating the purchase of insurance. It is ex-
13 pected that this amendment will save \$1,000 to \$2,000
14 in insurance coverage payments each year.
