 - 30 MRSA §1859 is enacted to read:

6 §1859. Kennebec County Corrections' Improvement Fund

7 1. Improvement fund established. All payments 8 received by Kennebec County for the board of prison-9 ers from Federal Government, State Government and 10 county government and for prisoners participating in 11 work release shall be credited by the county treasur-12 er to the Kennebec County Corrections' Improvement 13 Fund.

- 14 <u>2. Purpose. The Kennebec County Corrections'</u>
 15 <u>Improvement Fund shall be used only for the following</u>
 16 <u>purposes:</u>
- 17 A. To effect capital improvements to meet and 18 maintain compliance with detention standards;

19B. To implement mandatory operational standards20which do not require capital improvements, pro-21vided that no use of improvement funds, includ-22ing, but not limited to, personal services, may23supplement any portion of county budgets adopted24for the fiscal year; and

25 C. To secure additional funds by matching other
 26 funding sources for county corrections' improve 27 ments, including, but not limited to, reconstruc 28 tion and new construction to meet and maintain
 29 compliance with mandatory standards.

30 3. Expenditures; approval. No correctional im-31 provement fund money may be expended by county offi-32 cials without certification from the sheriff or jail 33 administrator that the proposed use of the funds is 34 for the purposes identified in subsection 2. No ex-35 penditure of improvement funds may occur without the 36 approval of a majority of the county commissioners. 1 <u>4. Funds nonlapsing. Money in the Kennebec</u> 2 <u>County Corrections' Improvement Fund shall not lapse</u> 3 <u>at the end of a fiscal year, but shall accrue and be</u> 4 <u>carried forward from year to year.</u>

5 **Emergency clause.** In view of the emergency cited 6 in the preamble, this Act shall take effect when ap-7 proved.

STATEMENT OF FACT

9 During the past few years, most counties have been faced with major renovation or new construction 10 11 projects to bring their jail facilities within com-12 pliance with mandatory detention standards. Income received from the board of prisoners would provide 13 counties with a source of funds upon which to meet 14 15 and maintain compliance with both mandatory opera-16 tional and facility standards.

17 The designation of these funds for these purposes 18 will not have a major impact on property tax, nor re-19 quire an additional appropriation from the Legisla-20 ture.
