Failure by 18 conditional licensee to meet the conditions 19 specified by the department shall permit the de-20 partment to void the conditional license or ap-21 proval or refuse to issue a full license or 22 proval. The conditional license or 23 shall be void when the department has delivered 24 in hand or by certified mail a written notice to 25 licensee or, if the licensee cannot be 26 reached for service in hand or by certified mail, 27 left written notice thereof at the agency or 28 facility. For the purposes of this subsection 29 the term "licensee" means the person, firm, cor-30 poration or association to whom a conditional li-31 cense or approval has been issued.

- 10 E. Refuse to issue a provisional license or approval: or
- 14 <u>F. Refuse to issue a temporary family foster</u>
 15 home license.
- Sec. 9. 22 MRSA §8103, as enacted by PL 1975, c. 719, §6, is repealed and the following enacted in its place:
- 19 §8103. Fire safety; exceptions

All procedures and other provisions included in section 7904, subsections 1 and 2, for boarding care facilities shall also apply to children's homes, except that the written statement referred to in section 7904, subsection 1, need not be furnished annually by the State Fire Marshal to the department when a children's home serves only one or 2 children.
- 28
 2. Temporary license. The department may issue
 a temporary license to operate a family foster home,
 as defined by section 8101, subsection 3, without
 complying with subsection 1, prior to issuing the license, provided that a preliminary evaluation of the
 home reveals no obvious fire safety violations.
- 34 Sec. 10. 22 MRSA §8107, sub-§2, as enacted by PL 35 1983, c. 629, §2, is amended to read:

2. Handicapped; placement. The definitions used shall not preclude the department from placing a moderately to severely handicapped child in any appropriate child care facility at the department's discretion, subject to the limitations on the number of children specified in section 8101, subsections 1 and 3.

STATEMENT OF FACT

Sections 1 to 9 of this bill bring the department into compliance with federal regulations specifying that federal funds shall not be used to make foster care payments to providers who are not licensed by the State and provides for such licensure in temporary emergency situations when the foster family meets all applicable laws and rules but is not able to be inspected by the State Fire Marshal's office prior to the need to place the child. By issuing temporary licenses, the department will be able to draw federal money more quickly, rather than paying those costs out of all state funds.

Section 10 clarifies that the last amendment to the Maine Revised Statutes, Title 22, section 8107, allowing for the placement of a moderately to severely handicapped child in any appropriate child care facility, does not add an exception to the statutory limit of 6 children in a foster home.
