STATEMENT OF FACT

2

The Chester Dental Clinic is now in its 17th year of serving residents of North-central Penobscot County. Since its inception, the clinic has focused its services on dentally indigent children.

6

Until October 1, 1984, the Chester Dental Clinic was a part of the National Health Services Corps Program. Due to recent cutbacks in financial support for the United States Public Health Service, in fiscal year 1987-88, the Chester Dental Clinic will need \$24,000 in financial support in order to continue to offer the same level of services to approximately 1,000 patients which it serves each year.
