Amend the bill by striking out all of the 4th sentence (page 1, line 16 and page 2, lines 1 to 4 in L.D.) and inserting in its place the following: 'The Secretary of State shall allow the owner of an antique motor vehicle to use registration plates which were issued in the same year as the antique motor vehicle was manufactured, provided that the date of manufacture was 1942 or earlier and the motor vehicle is registered as an antique motor vehicle under this section. Any antique motor vehicle bearing registration plates with the year of manufacture must also carry, within it, a valid antique motor vehicle registration certificate and the antique motor vehicle registration plates matching the certificate. The registration plates from 1942 or earlier must have matching plate numbers, must be affixed to both the front and rear of the antique motor vehicle and must conspicuously bear the year of manufacture.'
