This amendment extends the rights of state em-
ployees to employees of the Maine Vocational-Tech-
nical Institute System for roughly an additional 15
months. Current law provides that employees of the
vocational-technical institute system retain the
rights and privileges of state employees for a period
of 2 years from the date of the establishment of the
vocational-technical institute system, April 16,
1986. This amendment extends these privileges to Ju-
ly 1, 1989.
