L.D. 746

(Filing No. S- 42 )

STATE OF MAINE  
SENATE  
113TH LEGISLATURE  
FIRST REGULAR SESSION

COMMITTEE AMENDMENT "A " to S.P. 265, L.D. 746,  
Bill, "AN ACT to Amend the Electric Rate Reform Act  
as it Applies to Cost Recovery for Utility Financing  
of Energy Conservation."

Amend the bill in section 1, sub-§5, by striking  
out all of the 2nd sentence and inserting in its  
place the following:

'The commission may approve and allow cost recovery for proposals that result in savings in fuel other than electricity.'

STATEMENT OF FACT

The committee amendment clarifies the language,  
but retains the purpose of the original bill to ensure  
that utilities can recover costs for approved  
conservation projects even if they result in savings  
in fuel other than electricity.

This amendment does not change any authority the  
commission may have relative to fuel switching by  
customers.
