This bill establishes a cost-share program to assist local governments with the costs of building sand and salt storage facilities. Funding for this program is in Legislative Document 1396. The Department of Transportation plans to administer specifically \$900,000 of highway bond issue funds for these facilities. Also, this bill ties in with Legislative Document 1484 which amends department laws to allow the Department of Environmental Protection to work in conjunction with the Department of Transportation to administer this program.'
