The purpose of this amendment is to clarify the  
intent of the Legislature with respect to agencies  
exempt from the provisions of the bill. The intent is  
not to change current law relating to the exempt  
agencies and the disposition of real estate of these  
agencies. If the current practice for an exempt state  
agency is to obtain legislative approval of the agen-  
cy's real estate, the intent of this amendment is to  
continue this practice.
