1 town approved subdivisions, subject to the provisions
2 of this Act, for the purpose of bringing those roads
3 into conformity with the road standards adopted by the
4 town. A private road is defined as a road which has
5 never been accepted by the town's legislative body as
6 a town way, private way or a public easement and over
7 which the general public has no legal right of
8 access. For the purposes of this Act, the road within
9 the Town of York known as Old County Road, which runs
10 south from Mt. Agamenticus Road, is deemed to be a
11 private road.

12 STATEMENT OF FACT

13 This bill clarifies Private and Special Law 1985,
14 chapter 33, which authorized the Town of York to bring
15 certain private roads into conformity with town
16 standards. Since several questions have arisen as to
17 which roads are subject to the provisions of the law,
18 this bill clarifies that the Old County Road in York
19 qualifies as a private road.
