L.D. 6

(Filing No. H-5 )

STATE OF MAINE  
HOUSE OF REPRESENTATIVES  
114TH LEGISLATURE  
FIRST REGULAR SESSION

COMMITTEE AMENDMENT "A" to H.P. 14, L.D. 6, "Resolve, to Provide for a Commemorative Motor Vehicle License Plate to Celebrate the Sesquicentennial of Aroostook County"

Amend the resolve by striking out everything after the emergency preamble and before the emergency clause and inserting in its place the following:

**'Aroostook County sesquicentennial plates authorized. Resolved:** That a reflectorized, commemorative, simulated motor vehicle registration plate in celebration of the sesquicentennial of Aroostook County, designed, distributed and sold by the Aroostook County Sesquicentennial Committee, may be displayed to replace the front registration plate on any motor vehicle registered in this State, except truck tractors, from January 1, 1989 to December 31, 1989. The commemorative sesquicentennial plate may be displayed on motor vehicles, except truck tractors, registered outside this State, but operated within this State, in the same manner as provided for vehicles registered in this State. No such commemorative plates may be sold, distributed or displayed which are not approved by the Aroostook County Sesquicentennial Committee.

**FISCAL NOTE**

If enacted, this amendment would remove the responsibility of manufacturing and distributing the commemorative plates from the Division of Motor Vehicles. The amended resolve would therefore not have any fiscal impact on the State.'

**STATEMENT OF FACT**

5

7 This amendment retains the concept of the resolve,  
authorizing the display of an Aroostook County sesquicentennial  
9 plate replacing the front registration plate of any motor  
vehicle, except truck tractors, during calendar year 1989. The  
11 amendment deletes all reference to the Division of Motor  
Vehicles and, therefore, does not require any fees to the State  
nor any allocation of state funds. The commemorative plates  
13 would be designed, distributed and sold by the Aroostook County  
Sesquicentennial Committee.
