L.D. 95

(Filing No. S-272)

STATE OF MAINE  
SENATE  
114TH LEGISLATURE  
FIRST REGULAR SESSION

SENATE AMENDMENT "A" to S.P. 90, L.D. 95, Bill, "An Act to Provide a Secure Treatment Facility at the Maine Youth Center"

Amend the bill by inserting before the statement of fact the following:

FISCAL NOTE

The construction and renovation costs for a 25 to 40 bed secure treatment facility at the Maine Youth Center in the amount of \$5,020,000 are included in other legislation authorizing a General Fund bond issue for construction and renovation of correctional facilities. An appropriation may be needed in fiscal year 1990-91 for operational costs should construction be completed by that time. Future appropriations may not be needed until the next biennium, dependent upon the construction completion date.

It is estimated that annual operational costs will be approximately \$910,000 based upon housing 25 juveniles at the present annual cost of \$36,294 per resident. The precise cost of operating this facility will be dependent upon the building design and services provided.'

STATEMENT OF FACT

This amendment adds a fiscal note to the bill.
