19 client support services system
21 for individuals infected with
23 the human immune deficiency
25 virus.

27 **STATEMENT OF FACT**

29 Currently, there are funds available for only 3 case
management positions for persons with HIV-related illnesses in
the State. This bill increases that number to 6 positions in
response to the increased need for case-management services for
the growing number of people in the State who are affected by
this disease.
