#### STATE OF MAINE

IN THE YEAR OF OUR LORD NINETEEN HUNDRED AND EIGHTY-NINE

An Act to Permit Municipalities to Set Lower Debt Limitations.

### Be it enacted by the People of the State of Maine as follows:

30-A MRSA §5702, first ¶, as enacted by PL 1987, c. 737, Pt. A, §2 and Pt. C. §106; and as amended by PL 1989, cc. 6 and 9, is further amended to read:

A municipality may incur debt for school purposes to an amount outstanding at any time not exceeding 10% of its last full state valuation, or such lower percentage as a municipality shall set, for storm or sanitary sewer purposes to an amount outstanding at any time not exceeding 7 1/2% of its last full state valuation, or such lower percentage as a municipality shall set, and for municipal airport and special district purposes to an amount outstanding at any time not exceeding 3% of its last full state valuation, or such lower percentage as a municipality shall set; provided, however, that in no event may any municipality incur debt which would cause its total debt outstanding at any time to exceed 15% of its last full state valuation, or such lower percentage as a municipality shall set.

#### STATEMENT OF FACT

29

31

This bill permits municipalities to set lower limits on bonded indebtedness than the limits presently established. Previously, municipalities were unsure as to whether or not their home rule powers permitted them to set lower limits. This bill establishes that they do have that power.
