**FISCAL NOTE**

Enactment of this bill would require a General Fund appropriation to the Department of Agriculture, Food and Rural Resources, Soil and Water Conservation Commission, Account #01107.1, in the amount of \$200,000 for fiscal year 1989-90 and fiscal year 1990-91. This appropriation would provide funds for increases in support of the soil and water conservation districts. It should be understood that this funding has been included in the Part II Budget bill, L.D. 640; therefore, this appropriation could be deleted later, depending upon its funding status in L.D. 640.'

**STATEMENT OF FACT**

This amendment changes the name of the Technical Assistance Fund to the Technical Assistance Account. The amendment also adds a fiscal note.
