STATE OF MAINE
SENATE
114TH LEGISLATURE
SECOND REGULAR SESSION

SENATE AMENDMENT "A " to S.P. 895, L.D. 2277, Bill, "An Act to Create an Appeals Procedure for the State Bidding Process"

Amend the bill in section 3 in that part designated "§1831." by inserting after subsection 1 the following:

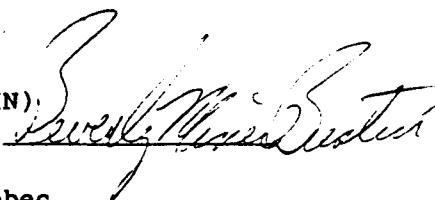

'2. **Limitation.** This section does not apply to purchase of supplies, services, materials and equipment or to public improvements, as described under chapters 153 and 155. This section does not apply to construction, improvement or repair of any and all ways, roads or bridges with appurtenances or other public improvements which by law are under the supervision of the Department of Transportation in accordance with section 1741.

3. **Application.** The procedure adopted by a department or agency in this section may be used by the department or agency for any qualifying purchase or award of a contract or grant. Nothing in this section may be construed to require the adoption of new procedures for every new purchase, contract or award. Nothing in this section may be construed to require the State Purchasing Agent or the Department of Administration to approve any contract, grant or award that is not presently approved by the State Purchasing Agent or the Department of Administration under chapters 153 and 155.'

STATEMENT OF FACT

This amendment is being presented on behalf of the Committee on Bills in Second Reading to correct a technical error by inserting 2 subsections that were inadvertently omitted from the bill.
