|     | Emergency preamble. Whereas, Acts of the Legislature do not  |
|-----|--|
| 2   | become effective until 90 days after adjournment unless enacted as emergencies; and                                      |
| 4   | as emergencies; and  |
| -   | Whereas, boarding care homes may currently choose whether to   |
| 6   | fund depreciation; and   |
| 8   | Whereas, the Department of Human Services may amend its  |
|     | rules to require boarding care homes to fund depreciation; and   |
| 10  | Whereas, in the judgment of the Legislature, these facts   |
| 12  | create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately |
| 14  | necessary for the preservation of the public peace, health and safety; now, therefore,                                   |
| 16  | dured, mon, energials,   |
| 20  | Be it enacted by the People of the State of Maine as follows:  |
| 18  |  |
|     | Sec. 1. 22 MRSA §7907-A is enacted to read:  |
| 20  |  |
| •   | §7907-A. Depreciation  |
| 22  |  |
|     | The department may not adopt or enforce any rule regarding   |
| 24  | depreciation that conflicts with the following.  |
| 26  |  |
| 26  | 1. Recording of depreciation. Appropriate recording of   |
| 20  | depreciation includes the identification of the depreciable  |
| 28  | assets in use, the historical cost of the assets, the method of  |
| 30  | depreciation, estimated useful lives and the accumulated depreciation of the assets. The Chart of Accounts published by  |
| 30  | the American Hospital Association and publications of the United   |
| 32  | States Internal Revenue Service must be used as guides for   |
| J.2 | estimating the useful life of assets.  |
| 34  | estimating the aserul life of assets.  |
| 0.2 | 2. Depreciation method. Proration of the cost of an asset  |
| 36  | over its useful life is allowed on the straight-line method.   |
| 38  | 3. Funding of depreciation. Although funding of  |
|     | depreciation is not required, providers are strongly encouraged  |
| 40  | to use this mechanism to conserve funds for replacement of   |
|     | depreciable assets and coordinate their planning of capital  |
| 42  | expenditures with area-wide planning activities of community and   |
|     | state agencies. As an incentive for funding, investment income   |
| 44  | on funded depreciation may not be treated as a reduction of  |
|     | allowable interest expense or other costs.   |
| 46  |  |
|     | 4. Gains and losses on disposal of assets. Gains and   |
| 48  | losses realized from the disposal of depreciable assets while a  |
|     | provider is participating in the cost-reimbursement program, or  |
| 50  | within one year after leaving the program, are to be included in   |
|     | the determination of allowable cost. The extent to which such  |
| 52  | gains and losses are includable is calculated on a proration   |

|    | basis recognizing the amount of depreciation, if any, charged or |
|----|--|
| 2  | assumed in a period prior to the provider's participation in the |
|    | program, and in the period after the provider's participation in |
| 4  | the program when the sale takes place within one year after      |
|    | termination.   |
| 6  |  |
|    | During the first 8 years of operation in the cost reimbursement  |
| 8  | program, all depreciation allowed on buildings, fixed equipment, |
|    | land improvements and other depreciable assets is recaptured in  |
| 10 | cash from the seller at the time of the sale. From the 9th to    |
|    | the 15th year, all but 3% per year is recaptured and from the    |
| 12 | 16th to the 25th year, all but 8% per year is recaptured, not to |
|    | exceed 100%. Accumulated depreciation is recapturable to the     |
| 14 | extent of the gain on the sale.                                  |
|    |  |
| 16 | Sec. 2. 22 MRSA §7910, 2nd ¶, as enacted by PL 1983, c. 844,     |
|    | §1, is amended to read:  |
| 18 |  |
|    | The department shall develop an intake and referral system       |
| 20 | to assist persons who seek admission by referring them to the    |
|    | appropriate agency for assessment and development of a plan of   |
| 22 | care. The department shall ensure the continuity of the          |
|    | assessment system until January 1, 1991.                         |
| 24 |  |
|    | Emergency clause. In view of the emergency cited in the          |
| 26 | preamble, this Act takes effect when approved.                   |
|    |  |
| 28 |  |
|    |  |
| 30 | STATEMENT OF FACT  |
|    |  |
| 32 | This bill codifies certain rules of the Department of Human      |
|    | Services governing depreciation funding and gains and losses on  |
| 34 | disposal of assets by boarding home facilities enrolled in the   |
|    | cost-reimbursement program.                                      |
