The assessor shall attempt to enter into an agreement with the federal Office of Personnel Management for the voluntary withholding of state income taxes

to elect voluntary withholding of state income taxes from their retirement pay.

- 3. Rules. The assessor shall establish by rule a procedure under which a federal civil service annuitant may request voluntary withholding under an agreement entered into under subsection 2. The procedure may include a minimum monthly amount to be withheld and paid over to the State.
- 4. Disclosure. The assessor may disclose to the federal Office of Personnel Management the name, address or social security number of any federal civil service annuitant electing voluntary withholding of state income taxes whenever necessary to enable the federal Office of Personnel Management to implement such withholding under the terms of an agreement entered into under subsection 2.

Emergency clause. In view of the emergency cited in the preamble, this Act takes effect when approved.

STATEMENT OF FACT

The purpose of this bill is to allow the State Tax Assessor to enter into an agreement with the federal Office of Personnel Management. This agreement would allow Maine to become a participant in the state tax withholding program. Under this program, recipients of civil service retirement pay could request the federal Office of Personnel Management to deduct state income taxes from their retirement pay.
