**An Act Regarding Relicensure of Transfer Stations, Stump Dumps and  
Recycling Centers.**

---

Be it enacted by the People of the State of Maine as follows:

38 MRSA §1310-N, sub-§6-A is enacted to read:

6-A. Relicensing requirements. The department may not require additional engineering or operational requirements to relicense existing and operating transfer stations, stump dumps, recycling centers or facilities operated for disposal, storage or handling of white goods, tires or brush that have had no major changes in operation since the previous license was granted. The board shall define major changes in operation by rule.

#### STATEMENT OF FACT

This bill exempts existing transfer stations, stump dumps, recycling centers or facilities that handle white goods, tires or brush from undergoing additional engineering or operational requirements as part of their relicensing.
