STATE OF MAINE

IN THE YEAR OF OUR LORD
NINETEEN HUNDRED AND NINETY-ONE

**An Act to Establish Special Designating Registration Plates for Veterans
of Iwo Jima.**

Be it enacted by the People of the State of Maine as follows:

29 MRSA §252-H is enacted to read:

§252-H. Iwo Jima survivors; special license plates

The Secretary of State, on application and upon evidence of payment of the excise tax required by Title 36, section 1482, shall issue registration certificates and special designating plates for use in lieu of regular registration plates to persons who served in the United States Armed Forces and who were stationed at Iwo Jima during World War II. Each application must be accompanied by appropriate military certification verifying the applicant's service at Iwo Jima. This special license plate is issued specifically to Iwo Jima survivors and the privilege of using the special plate is not transferable.

The following design elements are guidelines for the Secretary of State in the production of these special designating plates. The designation "Iwo Jima Survivor" must appear centered at the bottom, the American flag must appear on the left side and the Iwo Jima flag-raising symbol must appear on the right side of the plate.

STATEMENT OF FACT

This bill allows World War II Iwo Jima survivors to have a special license plate.
