STATEMENT OF FACT

This amendment eliminates an appropriation to the higher education institutions established in another Part of this bill as a repayment of a June 1991 deferral. In its place, this amendment clarifies that the July 1991 payment is for the June 1991 deferral. Those institutions will receive each monthly check on a 3-week lag in the future.

This amendment also institutes an across-the-board General Fund reduction of approximately 2.6% in fiscal year 1992-93 except for certain programs.
