STATE OF MAINE
SENATE
115TH LEGISLATURE
FIRST REGULAR SESSION

SENATE AMENDMENT "G" to COMMITTEE AMENDMENT "A" to H.P. 653, L.D. 927, Bill, "An Act Making Unified Appropriations and Allocations for the Expenditures of State Government, General Fund and Changing Certain Provisions of the Law Necessary to the Proper Operations of State Government for the Fiscal Years Ending June 30, 1992 and June 30, 1993"

Amend the amendment in Part II by striking out all of section II-1 and inserting in its place the following:

Sec. II-1. Review, report and limitations on administrative costs in contract agencies. The Department of Mental Health and Mental Retardation and the Department of Human Services shall review the administrative expenses of agencies with which they contract for the provision of client services; recommend a standard definition of administrative expenses; and recommend a maximum level of administrative expenses that it would be appropriate for the State to fund. The departments shall submit the results of the review and their recommendations for legislation and rules to the Joint Standing Committee on Human Resources and the Joint Standing Committee on Appropriations and Financial Affairs by January 1, 1992. In developing a definition of allowable administrative expenses, the departments shall consider the purpose of the contracts and costs such as dues and memberships, travel, advertising, legal and lobbying fees, consultants, donations, subscriptions, bonuses and incentives, purchase, rental or lease of vehicles and salaries attributable to administrative functions.

With respect to all contracts signed after July 1, 1991, the departments shall provide that administrative costs associated with the contract may not exceed the percentage that administrative costs of the agency were of total agency costs in fiscal year 1988-89 applied to the total amount of the contract being funded.'

and to report to the Legislature rather than placing a list of
