STATE OF MAINE  
SENATE  
115TH LEGISLATURE  
FIRST REGULAR SESSION

SENATE AMENDMENT " A " to COMMITTEE AMENDMENT "A" to S.P. 386, L.D. 1063, Bill, "An Act to Broaden the Availability of Loans under the Finance Authority of Maine to Improve the Environment"

Amend the amendment by striking out all of the fiscal note and inserting in its place the following:

FISCAL NOTE

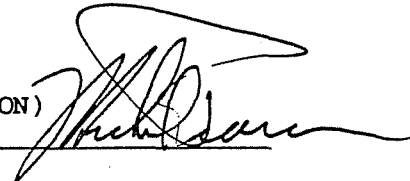

This bill broadens the underground tank loan program administered by the Finance Authority of Maine to include systems to improve air quality. The costs associated with administering the program can be absorbed within existing resources of the Finance Authority of Maine.

This bill additionally increases from \$5,000,000 to \$10,000,000 the amount that may be transferred from the Ground Water Oil Clean-up Fund to the Underground Oil Storage Replacement Fund administered by the Finance Authority of Maine. This will delay the removal of the 6¢ per barrel fee assessed on petroleum products.'

STATEMENT OF FACT

This amendment amends the committee amendment to correct the fiscal note.
