### STATEMENT OF FACT

8 This amendment deletes reference to licensed installers,  
since that language presupposed passage of a licensing bill that  
10 has not become law. The amendment clarifies that the inspection  
fee will be paid by the person responsible for creating the need  
12 for the inspection, not by the consumer. The amendment also  
strikes the section of the bill that would have repealed the  
14 section of law permitting municipalities to inspect mobile home  
parks in lieu of Manufactured Housing Board inspections.  
16 Finally, the amendment adds a fiscal note.
