10 **STATEMENT OF FACT**

12 This resolve gives the Department of Marine Resources the  
13 ability to enter into an agreement with the Bigelow Laboratory  
14 for Ocean Sciences for the sale or transfer of property. The  
15 laboratory currently has a lease interest in facilities on the  
16 McKown Point in Boothbay Harbor. The facilities are owned by the  
17 Department of Marine Resources. Deed interest by the Bigelow  
18 Laboratory for Ocean Sciences is intended to enable the  
19 laboratory to attain federal and private support for improving  
20 facilities and support operations, an objective that can not be  
obtained with a leasehold interest.
