FISCAL NOTE

16 This amendment reduces the reductions to General Purpose Aid
for Local Schools and Municipal Revenue Sharing by \$24,210,244,
18 thereby reducing the total savings realized by the bill.

20 There will be a cost to have each committee meet one day
prior to the Second Regular Session, the exact nature of which
22 can not be determined at this time. If all committees were to
meet, the cost to the Legislature for legislators' per diems and
24 expenses would be approximately \$19,000 in fiscal year 1991-92.

STATEMENT OF FACT

30 This amendment reduces to \$10,000,000 the proposed
reductions to General Purpose Aid for Education and eliminates
the proposed reduction in General Revenue Sharing. In order to
32 offset the amount of the restored funds, each joint standing
committee of the Legislature is instructed to meet and to
34 identify an offsetting amount of savings and to report its
recommended actions to the Second Regular Session of the 115th
36 Legislature by January 8, 1992.
