**STATE OF MAINE
HOUSE OF REPRESENTATIVES
115TH LEGISLATURE
SECOND REGULAR SESSION**

HOUSE AMENDMENT "A" to COMMITTEE AMENDMENT "A" to H.P. 1463, L.D. 2075, Bill, "An Act to Prohibit the Dismantling of Products That Contain Hazardous Material near Water Supplies"

Amend the amendment in section 3 in subsection 2-E in the 5th line (page 2, line 7 in amendment) by striking out the following: "boundaries of the facility are located" and inserting in its place the following: 'automobile dismantling, recycling and salvage operations take place'

STATEMENT OF FACT

The purpose of this amendment is to clarify that this bill is only intended to apply to automobile dismantling, recycling and salvage operations that are within 100 feet of a well covered by this bill. It is the distance from the operations themselves, rather than from the property line, that matters.
