COMMITTEE AMENDMENT "A" to S.P. 863, L.D. 2207, Bill, "An Act Regarding Retail Liquor Sales"

Amend the bill by striking out everything after the enacting clause and before the statement of fact and inserting in its place the following:

Sec. 1. Study. The Bureau of Alcoholic Beverages shall conduct a study of the feasibility of establishing a state-run bailment warehouse for the storage of liquor products prior to delivery to or pick-up by state and agency liquor stores. The bureau shall conduct the study in consultation with members of the joint standing committee of the Legislature having jurisdiction over legal affairs. The report must include an estimate of the costs of establishing the warehouse and the revenues to be derived from operation of the warehouse. The bureau shall submit written findings from the study to the joint standing committee of the Legislature having jurisdiction over legal affairs and the Office of the Executive Director of the Legislative Council by December 1, 1992. The bureau shall conduct the study within existing resources.

FISCAL NOTE

The Bureau of Alcoholic Beverages will be able to conduct the study of the feasibility of a state-run bailment warehouse utilizing existing allocated resources.

STATEMENT OF FACT

This amendment replaces the bill. It requires the Bureau of Alcoholic Beverages to study the feasibility, including the costs and revenues, of establishing a state-run bailment warehouse for the storage of liquor. The amendment also adds a fiscal note.
