STATE OF MAINE

IN THE YEAR OF OUR LORD
NINETEEN HUNDRED AND NINETY-TWO

An Act to Authorize Construction on a Wharf in Long Lake at Naples.

(AFTER DEADLINE)

Be it enacted by the People of the State of Maine as follows:

Sec. 1. P&SL 1931, c. 132, 2nd ¶, first sentence is amended:

No building shall may be erected on said the wharf and ~~no part of the wharf shall extend above the level of the adjacent highway.~~

Sec. 2. P&SL 1931, c. 132, as amended by P&SL 1955, c. 143, is further amended by adding after the 2nd paragraph a new paragraph to read:

A structure may be erected on the wharf only if the person erecting the structure has prior approval by and the applicable permits from the municipal planning board and any state agency having jurisdiction; except that, after May 1, 1993, a new building or structure may not be erected on the wharf and no part of the wharf may extend above the level of the adjacent highway.

STATEMENT OF FACT

This bill removes the height restrictions on a wharf in Long Lake in Naples. This will allow the owners of the Songo River Queen to construct a structure on the wharf. The bill requires local and state approval and permits before the structure may be constructed. The bill also removes authorization for the construction if it is not completed by May 1, 1993.
