## 116th MAINE LEGISLATURE

## FIRST REGULAR SESSION-1993

Legislative Document

No. 257

H.P. 194

House of Representatives, February 2, 1993

An Act to Amend the Laws Governing the Task Force on Defense Realignment and the Economy.

(EMERGENCY)

Reference to the Committee on Housing and Economic Development suggested and ordered printed.

JOSEPH W. MAYO, Clerk

Presented by Representative KONTOS of Windham. Cosponsored by Representative: SMALL of Bath, Senators: KIEFFER of Aroostook, LAWRENCE of York.

|            | Emergency preamble. Whereas, Acts of the Legislature do not      |
|------------|--|
| 2.         | become effective until 90 days after adjournment unless enacted  |
|            | as emergencies; and  |
| 4          |  |
|            | Whereas, the Task Force on Defense Realignment and the           |
| 6          | Economy was established to develop, implement and coordinate     |
|            | long-term strategies for economic growth in order to achieve and |
| 8          | maintain economic prosperity into the 21st century; and          |
| LO         | Whereas, this Act provides for additional time to ensure         |
|            | that the goals of the task force are met and allows for closer   |
| L2         | monitoring of federal funds; and                                 |
|            |  |
| L <b>4</b> | Whereas, in order to provide maximum benefit to the State's      |
|            | economy, these programs and activities need to be initiated      |
| L6         | before the expiration of the 90-day period; and                  |
|            | belone and enganded on any pointed, and                          |
| L8         | Whereas, in the judgment of the Legislature, these facts         |
| - 0        | create an emergency within the meaning of the Constitution of    |
| 20         | Maine and require the following legislation as immediately       |
| .0         | necessary for the preservation of the public peace, health and   |
| 22         | safety; now, therefore,  |
|            | Balecy, now, cholclott,  |
| 24         | Be it enacted by the People of the State of Maine as follows:    |
|            |  |
| 26         | Sec. 1. 5 MRSA §3307-E, sub-§4, ¶A, as enacted by PL 1991, c.    |
|            | 854, Pt. B, §1, is amended to read:                              |
| 28         |  |
|            | 4. Duties. The task force shall perform the following            |
| 30         | duties:  |
|            |  |
| 32         | A. Prepare a statewide strategy and implementation plan to       |
|            | assist the State and its defense-dependent industries,           |
| 34         | workers and communities to reduce defense dependency by          |
|            | shifting from military to civilian enterprises while             |
| 36         | retaining a stable industrial and commercial base, high          |
|            | employment and wages and diverse state, regional and local       |
| 38         | economies. A strategic plan and recommendations for              |
| ,          | implementation must be submitted to the Governor and the         |
| 10         | joint standing committee of the Legislature having               |
|            | jurisdiction over economic development matters by July 1,        |
| 12         | 1992 1993. The report must be updated annually and as            |
| . 4        | otherwise requested by the joint standing committee. The         |
| 14         | strategic plan must include:                                     |
| r t        | actacedic bian masc incinna:                                     |
| 16         | (1) Determination of how firms in the State will be              |
| E U        | affected by the reduction of output by prime                     |
| 1 0        | directed by the reduction of output by prime                     |

affect local and state government services and the

| 2        | and local dislocation response capacity;   |
|----------|--|
| 4        | (2) Assessment of the current capacity of at-risk<br>businesses and workers to reduce their defense                  |
| 6        | dependency;  |
| 8        | (3) Identification of sources of assistance for local<br>and regional planning efforts, including coordination       |
| 10       | of local and regional efforts;   |
| 12       | (4) Development of a comprehensive strategy for reducing the State's defense capacity, including                     |
| 14       | identification of steps required to: encourage, assist<br>and strengthen local development capacity in at-risk       |
| 16       | regions; help diversify the reemployment base; enhance reemployability of workers; broaden the markets of            |
| 18       | defense-dependent firms; and anticipate and mitigate impacts on communities associated with defense-spending         |
| 20       | reductions; and  |
| 22       | (5) Identification of barriers to the effective implementation of the plan and recommendation of                     |
| 24       | actions to remove these barriers;  |
| 26<br>28 | B. Prepare and submit legislation by October 1, $\pm 992$ $\pm 1993$ and as necessary thereafter that:               |
| 30       | (1) Identifies how state agencies will assist the<br>regions in achieving their objectives;                          |
| 32       | (2) Provides for adequate incentives and resources to<br>implement state, regional and industry strategic plans;     |
| 34       | and  |
| 36       | (3) Provides for adjustment assistance for communities and workers while the economy adjusts to reductions in        |
| 38       | defense spending;  |
| 40       | C. Coordinate funding, technical assistance and other<br>support to defense-dependent regional and industry planning |
| 42       | committees to help various regions of the State develop and implement economic conversion and diversification goals, |
| 44       | objectives and strategies; and   |
| 46       | D. Coordinate state efforts toward the adoption of federal legislation and policies that support economic conversion |
| 48       | and diversification planning, commercial industries, market opportunities and global competitiveness. : and          |
