COMMITTEE AMENDMENT "*A*" to H.P. 248, L.D. 327, Bill, "An
14 Act to Repeal the Mandatory First-aid Requirement for Licensed
Maine Guides"

16

Amend the bill by striking out everything after the enacting
18 clause and before the statement of fact and inserting in its
place the following:

20

'Sec. 1. 12 MRSA §7311, sub-§2, ¶C, as repealed and replaced
22 by PL 1989, c. 913, Pt. B, §4, is amended to read:

24   C.   Be If a first-time applicant for a guide license, be
        currently certified in first aid through completion of any
26   standard   first   aid   course   that   meets   the   criteria
        established by rule of the commissioner. For purposes of
28   this paragraph, "first-time applicant" means any applicant
        who has not previously been issued a guide license in this
30   State. Any person, other than a first-time applicant, who
        applies   for   a   guide   license   shall   submit   satisfactory
32   evidence, as determined by the commissioner, of having held
        a guide license in this State; and'

34

36   **STATEMENT OF FACT**

38   This amendment replaces the bill but retains the intent of
       the bill to restrict the requirement for first aid certification
40   to first-time applicants for Maine guide licenses. The amendment
       provides a definition of "first-time applicant" and requires that
42   an applicant other than a first-time applicant submit proof of
       having held a guide license in this State.
