STATEMENT OF FACT

This amendment incorporates the substance of House Amendment "B" to Committee Amendment "A" and House Amendment "A" to Committee Amendment "A", except that this amendment deletes language requiring the Secretary of State to submit emergency legislation to implement recommendations regarding reimbursement for production and issuance costs and language that limits the \$10 reimbursement to the period April 1, 1994 to March 31, 1996. This amendment also repeals the provision establishing the distribution formula for the Maine Environmental Trust Fund
