116th MAINE LEGISLATURE

FIRST REGULAR SESSION-1993

Legislative Document

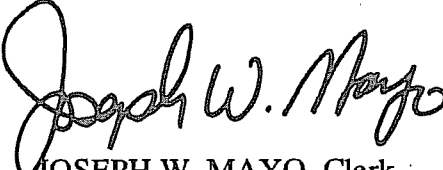

No. 773

H.P. 568

House of Representatives, March 4, 1993

An Act to Allow the Maine State Housing Authority to Grant Home Improvement Loans for Energy Efficiency through Its Home Improvement Loan Program.

Reference to the Committee on Housing and Economic Development suggested and ordered printed.

JOSEPH W. MAYO, Clerk

Presented by Representative GRAY of Sedgwick.
Cosponsored by Representatives: CARROLL of Gray, HOLT of Bath, KONTOS of Windham,
Senator: FOSTER of Hancock.

2 Be it enacted by the People of the State of Maine as follows:

4 Sec. 1. 30-A MRSA §4722-A is enacted to read:

6 §4722-A. Energy efficiency standards

8 1. Criteria established. The Maine State Housing
10 Authority, in consultation with the Department of Economic and
12 Community Development, Energy Conservation Division, shall
14 develop criteria for loans it administers, except loans for
septic systems and well repair or replacement, that include
conservation and energy efficiency standards as part of all loan
applications.

16 2. Report. The Maine State Housing Authority shall report
18 on the criteria established and the plan to implement those
20 conservation and energy criteria to the joint standing committee
of the Legislature having jurisdiction over housing and economic
development matters by January 15, 1994. The Maine State Housing
Authority shall report on the results of the application of the
criteria by January 15, 1996.

24 STATEMENT OF FACT

26 This bill would require the Maine State Housing Authority,
28 in consultation with the Department of Economic and Community
30 Development, Energy Conservation Division, to develop criteria
that include conservation and energy efficiency measures for all
loan applications.
