**Sec. 1. Boundary line.** A portion of the boundary line between Lincoln County and Kennebec County is as described.

Beginning at a 5 1/2" x 11" x 32" cut granite monument found at the common corner of the Towns of Windsor, China, Palermo and Somerville as shown on a plan prepared by Maine Coast Surveying entitled "Municipal and County Boundary - Somerville, Lincoln County, Maine - Windsor, Kennebec County, Maine" dated October 1, 1991 and to be recorded;

thence S 08° 25' 27" W and passing through a series of monuments set as shown on said plan 16,857.91' to a 16" x 10" x 24" field stone monument found at the top of bank on the northerly shore of Long Pond; said stone monument having a brass disk set in the top;

thence continuing S 08° 25' 27" W to the low water mark of Long Pond;

thence southerly along the westerly low water mark of Long Pond and passing to the west of a small island to a point in the westerly extension of the northerly line of the Town of Jefferson;

thence easterly along the extension of the northerly line of the Town of Jefferson to the northwest corner of the Town of Jefferson.

Bearings referenced are oriented to Grid North, Maine State Plane Coordinate System, West Zone NAD 1927 as determined by solar observations.

**STATEMENT OF FACT**

This bill defines and describes the location of a portion of the common boundary between Lincoln County and Kennebec County.
