of Representatives and Congressional Districts"

'Sec. 1. 21-A MRSA §1201, as amended by PL 1993, c. 7, §1, is

Sec. 2. 21-A MRSA §§1202 to 1207 are enacted to read:

§1202. Definitions

As used in this chapter, unless the context otherwise
indicates, the following terms have the following meanings.

1. Block. "Block" means an area defined as a block in the
United States Census for 1990. A block is the smallest census
unit used in this chapter.

2. Block group. "Block group" means an area comprising all
of the blocks within a tract or BNA whose census data labels
begin with the same digit. There are one to 9 block groups in a
tract or BNA.

3. Block numbering area. "Block numbering area" or "BNA"
means that area composed of blocks or block groups that is
defined as a block numbering area in the United States Census for
1990.

HOUSE AMENDMENT

2 4. Census unit. "Census unit" means a block, block group,
3 BNA or tract.

4 5. Commission. "Commission" means the Legislative
5 Apportionment Commission established every 10 years pursuant to
6 the Constitution of Maine, Article IV, Part Third, Section 1-A.

7 6. Tract. "Tract" means that area composed of blocks or
8 block groups that is defined as a tract in the United States
9 Census for 1990.

10 7. United States Census for 1990. "United States Census
11 for 1990" means the population counts published in both printed
12 and electronic media in March 1991 by the United States Census
13 Bureau as the data for the State of Maine collected pursuant to
14 Public Law 94-171.

15 **§1203. General provisions**

16 1. Implementation. The Secretary of State shall implement
17 the election districts adopted in this chapter pursuant to this
18 Title and the Constitution of Maine. The Secretary of State
19 shall inform the municipal clerks of the voting district or
20 districts in which each municipality lies and shall provide
21 copies of this chapter and district maps and narrative
22 geographic descriptions of relevant election districts to those
23 officials. The Secretary of State may resolve ambiguities
24 concerning the location of election district lines consistent
25 with subsection 2 and this chapter.

26 2. Interpretation. Where a road, street, waterway,
27 boundary of a tract, boundary of a block group or boundary of a
28 block is used as a boundary of an election district, the boundary
29 line lies at the center of the street or road, at the thread of
30 the waterway or at the boundary of the tract, block group or
31 block, unless otherwise noted. When a description refers to a
32 bridge or railroad line, the district boundary lies at the center
33 of the bridge or railroad tracks. When a description refers to a
34 railroad spur, it refers to the principal spur in the area. When
35 a description uses the word "ocean," the district boundary line
36 lies coincident with the legal boundary of the particular
37 community along or within the Atlantic Ocean. When an election
38 district includes a particular unorganized territory, it includes
39 that unorganized territory as described in the United States
40 Census for 1990, whether the territory is organized or
41 unorganized on the effective date of this chapter. Unless
42 otherwise noted, a district that names a municipality includes
43 all of the municipality.

§1204. Reapportionment

2 The state legislative districts established in this chapter
4 must be reapportioned pursuant to the Constitution of Maine,
6 Article IV, Part Third, Section 1-A, and congressional districts
must be reapportioned as follows.

8 1. Procedure. In 1993 and every 10 years thereafter, when
10 the Secretary of State has received notification of the number of
12 congressional seats to which the State is entitled and the
14 Federal Decennial Census population count is final, the
16 commission shall review the existing congressional districts. If
18 the districts do not conform to Supreme Judicial Court
20 guidelines, the commission shall reapportion the State into
22 congressional districts.

24 In making such a reapportionment, the commission shall ensure
26 that each congressional district is formed of compact and
28 contiguous territory and crosses political subdivisions the least
30 number of times necessary to establish districts as equally
32 populated as possible. The commission shall submit its plan to
34 the Clerk of the House of Representatives no later than 120
36 calendar days after the convening of the Legislature in which
38 apportionment is required. The Legislature shall enact the
40 submitted plan of the commission or a plan of its own in regular
42 or special session by a vote of 2/3 of the members of each house
44 within 30 calendar days after the plan is submitted to the Clerk
46 of the House of Representatives. This action is subject to the
Governor's approval, as provided in the Constitution of Maine,
Article IV, Part Third, Section 2.

32 2. Court apportionment. In the event that the Legislature
34 fails to make an apportionment within 150 calendar days of the
36 convening of the session in which apportionment is required, the
38 Supreme Judicial Court shall make the apportionment within 60
40 days following the period in which the Legislature is required to
42 act but fails to do so. In making the apportionment, the Supreme
44 Judicial Court shall take into consideration plans and briefs
46 filed by the public with the court during the first 30 days of
the period in which the court is required to apportion.

42 3. Judicial review. The Supreme Judicial Court has
44 original jurisdiction to hear any challenge to an apportionment
46 law enacted by the Legislature, as registered by any citizen or
group of citizens. If a challenge is sustained, the Supreme
Judicial Court shall make the apportionment.

28 **§1207. Congressional districts**

30 The State is divided into 2 districts for the election of
32 Representatives to Congress. The districts are comprised as
34 follows.

34 1. First District. The First District is comprised of the
36 counties of Cumberland, Knox, Lincoln, Sagadahoc and York and the
38 municipalities of Augusta, Belgrade, Benton, Chelsea, Clinton,
40 Farmingdale, Fayette, Gardiner, Hallowell, Litchfield,
42 Manchester, Mount Vernon, Oakland, Pittston, Randolph, Readfield,
44 Rome, Sidney, Vassalboro, Vienna, Waterville, West Gardiner,
46 Windsor, Winslow and Winthrop in Kennebec County.

42 2. Second District. The Second District is comprised of
44 the counties of Androscoggin, Aroostook, Franklin, Hancock,
46 Oxford, Penobscot, Piscataquis, Somerset, Waldo and Washington
48 and the municipalities of Albion, China, Monmouth, Unity Township
50 and Wayne in Kennebec County.

48 **Sec. 3. Legislative findings.** The Legislature finds that the
50 State's population growth during the period from completion of
the 1980 federal census to completion of the 1990 federal

2 census and population shifts within the State during the same
time period have combined to render the present apportionment of
4 the State's Senate, House of Representatives and 2 congressional
districts unconstitutional. The Legislature further finds that
6 the apportionment of the State's Senate, House of Representatives
and 2 congressional districts contained in this Act satisfies the
8 constitutional requirement of a fair and reasonable apportionment
when viewed by the standards of population equality, contiguity
10 of districts, compactness of districts and minimization of
crossing of the boundaries of political subdivisions.

12 The Legislature further finds that it is necessary to split
Census Block 102B of Census Tract 9515 of the municipality of
14 Limestone in Aroostook County between House District 141 and
House District 142.

16 This Census Block has singular characteristics in that it is
18 largely populated by persons stationed or employed at Loring Air
Force Base, which is scheduled to be closed before the
20 Legislature is next reapportioned. The closure will result in a
significant decrease in population, and the block is split in
22 order to spread the impact of that singular population variation
over the 2 legislative districts.'

24

26

STATEMENT OF FACT

28 This amendment strikes the bill and replaces it with revised
districts that implement the recommendations of the minority
30 membership of the Legislative Apportionment Commission. The
revised districts for the Senate, House of Representatives and
32 congressional districts are based on population counts from the
1990 federal census.
