20 **FISCAL NOTE**

22 This bill establishes a new Class E crime. Sentences  
24 imposed for Class E offenses must be served in a county jail.  
The average cost per sentence for a Class E crime is \$4,188 based  
26 upon an average length of stay of 67 days. The additional costs  
to the counties for the housing of each offender sentenced under  
28 this new crime will not require reimbursement by the State.

30 The additional workload and administrative costs associated  
with the minimal number of new cases filed in the court system  
32 related to this new Class E crime can be absorbed within the  
budgeted resources of the Judicial Department. The collection of  
34 additional fines may increase General Fund revenues by a minor  
amount.

36 This bill includes several new requirements that necessitate  
additional expenditures by local units of government. Pursuant  
38 to the mandate preamble, the 2/3 vote of all members elected to  
each House exempts the State from the constitutional requirement  
40 to fund 90% of the additional local cost of these requirements.'
