26 §1205. Congressional districts

28 The State is divided into 2 districts for the election of  
30 Representatives to the United States Congress as follows.

32 1. First District. The First District consists of the  
34 counties of Cumberland, Knox, Lincoln, Sagadahoc and York and the  
36 municipalities of Augusta, Belgrade, Benton, Chelsea, Clinton,  
38 Farmingdale, Fayette, Gardiner, Hallowell, Litchfield,  
40 Manchester, Mount Vernon, Oakland, Pittston, Randolph, Readfield,  
42 Rome, Sidney, Vassalboro, Vienna, Waterville, West Gardiner,  
44 Windsor, Winslow and Winthrop in Kennebec County.

46 2. Second District. The Second District consists of the  
48 counties of Androscoggin, Aroostook, Franklin, Hancock, Oxford,  
50 Penobscot, Piscataquis, Somerset, Waldo and Washington and the  
52 municipalities of Albion, China, Monmouth, Unity Township and  
54 Wayne in Kennebec County.

56 §1206. Reapportionment

58 The state legislative districts established in this chapter  
60 must be reapportioned pursuant to the Constitution of Maine,  
62 Article IV, Part Third, Section 1-A, and congressional districts  
64 must be reapportioned as follows.

66 1. Procedure. In 1993 and every 10 years thereafter, when  
68 the Secretary of State has received notification of the number of  
70 congressional seats to which the State is entitled and the  
72 Federal Decennial Census population count is final, the  
74 Legislative Apportionment Commission, established every 10 years  
76 pursuant to the Constitution of Maine, Article IV, Part Third,

2 Section 1-A, shall review the existing congressional districts.  
3 If the districts do not conform to Supreme Judicial Court  
4 guidelines, the commission shall reapportion the State into  
5 congressional districts.

6 In making such a reapportionment, the commission shall ensure  
7 that each congressional district is formed of compact and  
8 contiguous territory and crosses political subdivisions the least  
9 number of times necessary to establish districts as equally  
10 populated as possible. The commission shall submit its plan to  
11 the Clerk of the House of Representatives no later than 120  
12 calendar days after the convening of the Legislature in which  
13 apportionment is required. The Legislature shall enact the  
14 submitted plan of the commission or a plan of its own in regular  
15 or special session by a vote of 2/3 of the members of each house  
16 within 30 calendar days after the plan is submitted to the Clerk  
17 of the House of Representatives. This action is subject to the  
18 Governor's approval, as provided in the Constitution of Maine,  
19 Article IV, Part Third, Section 2.

20  
21 2. Court apportionment. If the Legislature fails to make  
22 an apportionment within 120 calendar days of the convening of the  
23 session in which apportionment is required, the Supreme Judicial  
24 Court shall make the apportionment within 60 days following the  
25 period in which the Legislature is required to act but fails to  
26 do so. In making the apportionment, the Supreme Judicial Court  
27 shall take into consideration plans and briefs filed by the  
28 public with the court during the first 30 days of the period in  
29 which the court is required to apportion.

30  
31 3. Judicial review. The Supreme Judicial Court has  
32 original jurisdiction to hear any challenge to an apportionment  
33 law enacted by the Legislature, as registered by any citizen or  
34 group of citizens. If a challenge is sustained, the Supreme  
35 Judicial Court shall make the apportionment.

#### 36 §1207. Implementation and interpretation

37  
38  
39 1. Implementation. The Secretary of State shall implement  
40 the election districts established in this chapter pursuant to  
41 this Title and the Constitution of Maine. The Secretary of State  
42 shall inform the municipal clerks of the voting district or  
43 districts in which each municipality lies and shall provide  
44 copies of this chapter and district maps and narrative  
45 geographic descriptions of relevant election districts to those  
46 officials. The Secretary of State may resolve ambiguities  
47 concerning the location of election district lines consistent  
48 with subsection 2 and this chapter.

2           2. Interpretation. Where a road, street, waterway,  
3 boundary of a tract, boundary of a block group or boundary of a  
4 block is used as a boundary of an election district, the boundary  
5 line lies at the center of the street or road, at the thread of  
6 the waterway or at the boundary of the tract, block group or  
7 block, unless otherwise noted. When a description refers to a  
8 bridge or railroad line, the district boundary lies at the center  
9 of the bridge or railroad tracks. When a description refers to a  
10 railroad spur, it refers to the principal spur in the area. When  
11 a description uses the word "ocean," the district boundary line  
12 lies coincident with the legal boundary of the particular  
13 community along or within the Atlantic Ocean. When an election  
14 district includes a particular unorganized territory, it includes  
15 that unorganized territory as described in the United States  
16 Census for 1990, whether the territory is organized or  
17 unorganized on the effective date of this chapter. Unless  
18 otherwise noted, a district that names a municipality includes  
19 all of the municipality.

20           3. Nonseverability. It is the intent of the Legislature  
21 that the apportionment of the Maine Senate, the Maine House of  
22 Representatives and Maine congressional districts, as established  
23 in this chapter, become law as an entirety. If the apportionment  
24 of one or more of the bodies apportioned in this chapter is  
25 rendered invalid or unlawful by a court of law, it is the intent  
26 of the Legislature that the apportionment of all of the bodies  
27 apportioned in this chapter become void.

## STATEMENT OF FACT

32           This bill repeals those provisions of the law establishing  
33 the State Senate and House of Representatives districts and  
34 Congressional districts and replaces them to reflect the 1993  
35 apportionment made by the Maine Supreme Judicial Court.

38           This bill also makes several technical changes to the  
39 geographic descriptions as prepared by the Office of Revisor of  
40 Statutes pursuant to the court's plan. In addition to those  
41 changes, the bill also includes several technical sections  
42 concerning implementation, interpretation and procedure  
43 concerning the apportionment laws and provides a nonseverability  
44 section.

46           Specific changes to the geographic descriptions are as  
47 follows.

48           1. References to Baring Plantation are corrected in Senate  
50 District 4 and House District 135.

2           2. In Senate District 5 and Senate District 6 changes are  
4 made to reflect that T8SD is within the Central Hancock  
unorganized territory and not the East Hancock unorganized  
territory.

6  
8           3. References to Greenfield unorganized territory are  
corrected in Senate District 6 and House District 137.

10           4. The correct use of upper case and lower case letters for  
LaGrange is provided in Senate District 7 and House District 137.

12  
14           5. Senate District 18 is changed to reflect the fact that  
the municipality of Richmond is in Sagadahoc and not Kennebec  
County.

16  
18           6. Senate District 27 and House District 30 are changed to  
reflect the fact that Long Island is now a municipality and not  
part of Portland.

20  
22           7. House District 71 is corrected to indicate that New  
Gloucester is in Cumberland County and not Androscoggin County.

24           8. House District 139 is changed to correctly place Lake  
View Plantation, Medford and Milo in Piscataquis County and not  
26 Penobscot County.
