FISCAL NOTE

This bill provides the statutory language necessary to establish a magnet school in Limestone. Funding for the start-up costs are contained in Committee Amendment "A" to the Governor's supplemental budget bill. Any future General Fund appropriations that may be required for operational costs can not be determined at this time.

The Department of Education can absorb the expenses of the Task Force on the Maine School of Visual and Performing Arts within existing budgeted resources.'

STATEMENT OF FACT

This amendment eliminates the appropriation for the Maine School of Science and Mathematics since funding is contained in Committee Amendment A to the Governor's supplemental budget.

A revised fiscal note is included.
