COMMITTEE AMENDMENT "H" to H.P. 867, L.D. 1217

This is the majority report of the Joint Standing Committee
on Judiciary. This amendment replaces the bill. It establishes
a Study Commission on Property Rights and Public Health, Safety
and Welfare. The commission consists of 20 members from
different backgrounds and legislative committees to provide a
diversity of perspectives on the issues regarding private
property rights protections afforded under the Constitution of
Maine and the Constitution of the United States and the need to
protect the public health, safety, welfare, communities and
environment through laws, rules and regulations. The commission
shall hold at least 3 public hearings to afford full public
participation.

The commission must be convened by August 15, 1995 and shall submit its report, including findings, recommendations and any proposed legislation, to the Joint Standing Committee on Judiciary and to the Legislature by December 1, 1995.

The commission shall work toward a consensus report from all members to the greatest extent possible.

This amendment adds an appropriation section and an allocation section to the resolve. It also adds a fiscal note.
