STATE OF MAINE  
HOUSE OF REPRESENTATIVES  
117TH LEGISLATURE  
FIRST REGULAR SESSION

HOUSE AMENDMENT "A" to H.P. 1063, L.D. 1498, Bill, "An Act to Increase Access to Primary Care Physician Services in Maine"

Amend the bill in section 1 by striking out all of subsection 2-A and inserting in its place the following:

'2-A. Joint-program resident. An applicant who is enrolled in a program of medical and graduate medical training conducted jointly by a medical school accredited by the Liaison Committee on Medical Education and a graduate medical education program approved by the Accreditation Council on Graduate Medical Education may receive a temporary educational certificate from the board to act as a hospital resident as part of that graduate medical education program if the applicant is concurrently enrolled in the final year of medical training and the initial year of graduate medical education. The board may not issue a certificate pursuant to this subsection for a period longer than that required to obtain the M.D. degree. The period during which the certificate is in force may not be considered in determining satisfaction of the requirement for postgraduate medical education under section 3271, subsection 2.'

STATEMENT OF FACT

This amendment takes out language in the bill that would allow undergraduates to be joint-program residents.
