SENATE AMENDMENT "A" to COMMITTEE AMENDMENT "A" to H.P. 1148, L.D. 1587

2	
	STATEMENT OF FACT

This amendment strikes the text of the committee amendment and replaces it with the following. This amendment eliminates the issuance of \$34,000,000 in special obligation bonds of the Maine Turnpike Authority for the Department of Transportation projects. This amendment funds the current Transportation Investment Program backlog by utilizing \$30,000,000 in General Fund allotment reserve savings as well as approximately \$4,000,000 in additional Highway Fund productivity savings in fiscal year 1996-97. The amendment restores the State Police funding ratio to 50% General Fund and 50% Highway Fund.
