CHAPTER 29

MAINE COMMUNITY PURCHASING ALLIANCE

GENERAL PROVISIONS

§3401. Definitions

As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings.

1. Agent. "Agent" means an agent or broker licensed to do business in this State under Title 24-A, chapter 17.

2. Alliance. "Alliance" means the Maine Community Purchasing Alliance established in section 3403.

3. Alliance member. "Alliance member" means a participating employer, an enrolled employee or an enrolled individual. A dependent of a participating consumer covered under the participating consumer's health benefit plan is not an alliance member.

4. Board. "Board" means the alliance board authorized pursuant to section 3403.

5. Bureau. "Bureau" means the Bureau of Insurance.

6. Carrier. "Carrier" means an insurer, health maintenance organization or nonprofit hospital or medical service organization licensed to do business in this State.

7. Enrolled employee. "Enrolled employee" means an employee or association member of a participating employer whose health care coverage is purchased through the alliance.

2 **8. Enrolled individual.** "Enrolled individual" means a
3 person purchasing health care coverage through the alliance,
4 without contribution from a participating employer.

6 **9. Enrollee.** "Enrollee" means an enrolled employee, an
7 enrolled individual or a dependent of an enrolled employee or
8 enrolled individual.

10 **10. Health benefit plan.** "Health benefit plan" means any
11 of the health benefit plans authorized by the alliance for
12 purchase by alliance members.

14 **11. Participating carrier.** "Participating carrier" means
15 an eligible carrier under section 3406 that contracts with the
16 alliance.

18 **12. Participating consumer.** "Participating consumer" means
19 an enrolled individual or an enrolled employee.

20 **13. Participating employer.** "Participating employer" means
21 an employer, or an association meeting the requirements set forth
22 in Title 24-A, section 2805-A, that meets the eligibility
23 requirements established pursuant to section 3405 and that
24 purchases health care coverage through the alliance on behalf of
25 its employees or association members.

28 **14. Superintendent.** "Superintendent" means the
29 Superintendent of the Bureau of Insurance.

30 **§3402. Jurisdiction of bureau**

32 Nothing in this chapter is intended to conflict with or
33 limit the duties and powers granted to the superintendent under
34 the laws of this State. The board and alliance established under
35 this chapter shall report to the bureau any suspected or alleged
36 violations of this chapter. Violations of this chapter are
37 subject to the full range of regulatory actions, processes and
38 remedies available to the superintendent in dealing with other
39 entities that the superintendent may regulate.

42 **§3403. Maine Community Purchasing Alliance established**

44 The Maine Community Purchasing Alliance is established as a
45 nonprofit, nonrisk-bearing corporation licensed pursuant to this
46 chapter to purchase health care coverage on behalf of its
47 alliance members. The alliance may not be considered a state
48 agency or instrumentality of the State for any purpose. The
49 State may not borrow or otherwise appropriate funds from the
50 alliance.

2 1. Alliance board of directors. The alliance operates
3 under the supervision of a board of directors that consists of 11
4 voting members and 2 nonvoting members.

6 A. Ten of the voting board members must be designated as
7 follows. Five must represent participating consumers. The
8 remaining 5 must represent participating employers. One
9 employer member must represent a self-employed business.
10 One employer member must represent a public employer. One
11 employer member must represent a business with fewer than
12 100 employees. One employer member must represent a
13 business with 100 to 999 employees. One employer member
14 must represent a business with 1,000 or more employees.

16 (1) Initially the Governor shall appoint the 10 voting
17 board members who must represent participating
18 consumers and employers, subject to review by the joint
19 standing committee of the Legislature having
20 jurisdiction over insurance matters and confirmation by
21 the Legislature. For the purpose of the initial
22 appointment, a person represents a consumer or group of
23 employers if that person is eligible to participate as
24 a consumer or as a member of that group of employers.

26 (2) After the initial term, the 10 board members
27 designated pursuant to this paragraph must be elected
28 by alliance members. The board shall establish
29 procedures in its bylaws governing the election of
30 board members and maintaining the distribution of
31 consumer and employer representatives. For the purpose
32 of this section, except for the initial appointment, a
33 person represents a consumer if that person is elected
34 by participating consumers. For the purpose of this
35 section, except for the initial appointment, a person
36 represents a group of employers if that person is
37 elected by participating employers from that employer
38 group. To be eligible to vote, a participating
39 employer must contribute a minimum of 50% of the
40 premium cost toward the purchase of health care
41 coverage for its employees. The board may set a higher
42 minimum employer contribution as a voting eligibility
43 requirement for participating employers.

44 B. The 10 board members shall choose the 11th voting board
45 member. The appointed members shall choose the 11th member
46 prior to the adoption of the board's bylaws.

48 C. The Commissioner of Human Services is an ex officio
49 nonvoting member of the board.
50

2 D. The executive director of the alliance is an ex officio
3 nonvoting member of the board.

4
5 E. A person may not be a board member if that person or a
6 member of that person's household is currently employed as
7 or by, is a consultant for, is a member of the board of
8 directors of or is affiliated with an agent or
9 representative of a carrier, agent, health care provider or
10 other entity having an interest in board decisions distinct
11 from the interest of alliance members. Prior to appointment
12 or election to the board, potential board members shall
13 disclose to those appointing or electing any other personal
14 financial interest the potential board member has in an
15 entity having an interest in board decisions distinct from
16 the interest of the alliance members. Board members may not
17 accept gifts or any other financial gain from any carrier,
18 agent, health care provider or other entity having an
19 interest in board decisions distinct from the interest of
20 alliance members. This paragraph does not preclude a board
21 member from purchasing coverage from a carrier.

22 F. All board members must be knowledgeable about health
23 care financing and delivery systems.

24
25 2. Bylaws. The board shall adopt bylaws that govern the
26 operation of the alliance. The bylaws must include procedures
27 for the election of board members consistent with the terms set
28 forth in this section.

29
30 3. Terms of office. The terms of the voting board members
31 are staggered. For the initially appointed members of the board,
32 the terms of office are as follows: Three members serve one-year
33 terms; 3 members serve 2-year terms; and 4 members serve 3-year
34 terms. Of the initial appointees, no 3 consumer representatives
35 may have the same term length. The 10 appointed members shall
36 determine the initial term of the 11th voting member. After the
37 initial appointment of members, voting board members serve 3-year
38 terms. Board members may serve a maximum of 2 consecutive terms.

39
40 4. Officers. The Governor shall appoint the first chair of
41 the board. Subsequently, the members of the board shall elect
42 the chair. A member chosen as chair serves as chair for a length
43 of time equal to that member's term.

44
45 5. Meetings. The board shall meet at times and places as
46 it determines necessary to operate the alliance in accordance
47 with this section. To the extent that it does not interfere with
48 the alliance's effectiveness at performing its purchasing
49 functions, including, but not limited to, planning negotiation
50

2 strategy, negotiating with carriers and settling personnel
3 matters, the board shall conduct meetings open to alliance
4 members.

6 6. Standard of performance. The board shall discharge its
7 duties with the care, skill, prudence and diligence as that of
8 prudent directors acting in a similar enterprise and with a
9 similar purpose.

10 7. Personal liability. The members of the board and
11 officers or employees of the alliance are not liable personally,
12 either jointly or severally, for any debt or obligation created
13 or incurred by the alliance.

14 8. Powers and duties. The board has the powers and duties
15 regarding operation of the alliance set forth in section 3404.

16 9. Compensation. Board members are entitled to
17 compensation for expenses only.

18 §3404. Powers and duties of the board
19

20 The board has the following powers and duties.
21

22 1. Contracts with carriers. The board may enter into
23 contracts with eligible carriers to provide health care coverage
24 to enrollees.

25 2. Contracts with independent contractors. The board may
26 contract with qualified, independent contractors for services
27 necessary to carry out the powers and duties of the alliance.
28 Unless permission is granted specifically by the board, an
29 independent contractor hired by the alliance may not release,
30 publish or otherwise use any information to which the independent
31 contractor has access under its contract. Except with the
32 express written approval of the board, an entity may not act,
33 directly or through an affiliated person, both as a participating
34 carrier and an independent contractor under contract to the
35 alliance.

36 3. Contracts generally. The board may enter into all other
37 contracts necessary to carry out the powers and duties of this
38 chapter.

39 4. Legal action. The board may sue or be sued, including
40 taking any action necessary for securing legal remedies for, on
41 behalf of or against the alliance, alliance members, any board
42 member or other parties subject to this chapter.
43

2 5. Executive director; staff. The board shall appoint an
executive director to serve as the chief operating officer of the
4 alliance and to perform those duties delegated to the executive
director by the board. The executive director serves at the
6 pleasure of the board. The executive director may employ other
staff as needed to administer the alliance, subject to the
8 personnel policies established by the board.

10 6. Premium assessment. The board may assess alliance
members a reasonable assessment for costs incurred or anticipated
12 in connection with the operation of the alliance.

14 7. Advisory committees. The board may appoint advisory
committees that may include persons with expertise in health
16 benefits management and representatives of participating
carriers, consumer groups and health care providers necessary to
18 carry out the purposes of this chapter.

20 8. Reports and record. The board shall prepare an annual
report on the operations of the alliance that must include annual
22 internal and independent audits and an accounting of all outside
revenue received by the board. The board shall submit the annual
24 report to the Governor, the joint standing committee of the
Legislature having jurisdiction over insurance matters and the
26 State Auditor no later than January 15th of each year.

28 9. Grants. The board may receive and accept grants, funds
or anything of value from any public or private agency and
30 receive and accept contributions from any legitimate source of
money, property, labor or any other thing of value. However, the
32 board may not accept grants from any carrier, agent or health
care provider or other person or entity that might have a
34 financial interest in the decisions of the board.

36 10. Risk selection. The board may not use health status as
a condition of participation in the alliance.

38 11. Other powers. The board may carry out all other powers
and responsibilities granted or imposed by this chapter.

40 §3405. Operation of the alliance

42 The board shall establish and implement standards and
44 procedures for the operation of the alliance, including but not
limited to the following.

46 1. Eligibility of carriers. The board shall establish
48 conditions and procedures for determining the eligibility of
carriers, including, but not limited to, those conditions set
50 forth in section 3406. The board shall ensure that the

2 conditions and procedures established under this subsection are
3 consistent with the cooperative purchasing required under Title
4 5, section 288.

5 2. Report cards. The board shall develop a uniform format
6 for report cards to be prepared and provided by participating
7 carriers. The report cards must include data necessary for
8 evaluation of the performance of participating carriers and their
9 provider networks by consumers, providers, employers and the
10 board, including, but not limited to, information on consumer
11 satisfaction, service utilization and the cost of the health
12 benefit plan over time. In formulating the report card format,
13 the board shall use standards based on, and consistent with,
14 existing state and national health care data collection
15 initiatives and shall take into account the feasibility and
16 cost-effectiveness of those standards. The board shall also
17 develop standards and procedures for reviewing and auditing the
18 report cards before publication and distribution to current and
19 potential alliance members.

20 3. Eligibility of employers and participating consumers.
21 The board shall establish conditions for enrollment and
22 participation, including payment of premiums. For employers,
23 including the self-employed, these conditions must include, but
24 are not limited to, assurances that, for each employer, all
25 employees or an entire class or classes of employees are enrolled
26 in the alliance. The board shall also set a minimum employer
27 contribution for employer participation.

28 4. Enrollment procedures. The board shall establish
29 standard enrollment procedures, including, but not limited to,
30 ongoing enrollment for those joining the alliance, procedures
31 that allow participating consumers to change participating
32 carriers for good cause and annual open enrollment for
33 participating consumers that desire to change health benefit
34 plans or participating carriers without good cause. The board
35 shall provide that each participating consumer may enroll in any
36 health benefit plan offered by any participating carrier, so long
37 as the carrier provides coverage where that participating
38 consumer lives. The board shall establish rules for reenrollment
39 within 90 days if coverage was terminated involuntarily. The
40 board shall define "involuntary termination" to include loss of
41 coverage resulting from job loss, divorce and other causes, and
42 to exclude termination for nonpayment and other causes, as it
43 considers appropriate. For other than involuntary termination,
44 the board may deny reenrollment for a period of up to 12 months.

45 5. Quality performance reports. The board shall develop
46 uniform standards for the collection of data to be provided by
47 participating carriers. The board shall collect data necessary
48 for the collection of data to be provided by participating
49 carriers. The board shall collect data necessary
50 for the collection of data to be provided by participating

2 for evaluating the performance of participating carriers and
4 their provider networks. The board may develop methods of
6 quality analysis for analyzing the data for use within quality
8 performance reports. The board may use the reports for
10 determining the qualifications of plans. The board shall use
12 standards based on and consistent with existing state and
14 national health care data collection initiatives and shall take
16 into account the feasibility and cost-effectiveness of those
18 standards. To the extent feasible, the board shall use the
20 quality performance reports to work with participating carriers
22 and their provider networks to improve the quality and
24 cost-effectiveness of the care provided. The board may consult a
26 quality improvement foundation designated by an independent state
health data organization to assist it in the evaluation of the
quality and appropriateness of care for participating providers.
At its discretion, the board may publish all or part of the
quality performance reports.

20 **6. Collection of premium; payment of rates.** The board
22 shall establish procedures for the collection of premiums from
24 participating employers, from enrolled employees, as necessary,
26 and from enrolled individuals. To the extent feasible, the board
shall allow participating consumers to pay through a voluntary
automatic payment system. The board shall pay contracted rates
to participating carriers on a monthly basis or as otherwise
provided by mutual agreement.

28 **7. Administrative and accounting procedures.** The board
30 shall establish administrative and accounting procedures for
32 operating the alliance and for providing services to alliance
members.

34 **8. Risk pools.** The board shall develop standards for
36 classifying groups of participating consumers into risk pools.
38 The risk pools may include one or more risk pools for enrolled
40 employees and their dependents and a risk pool for enrolled
individuals and their dependents. No later than January 1, 2000,
the board shall determine whether to merge the risk pools. Each
year after the year 2000 that the risk pools remain separate, the
board shall reassess the value of maintaining separate risk pools.

42 **9. Risk adjustment.** The board may establish a procedure
44 for adjusting payments within each risk pool to participating
46 carriers if the board finds that some carriers have a
significantly disproportionate share of high-risk or low-risk
enrollees.

48 **10. Ombudsman services.** The board shall establish
50 procedures for assisting enrollees in resolving problems
associated with enrollment, coverage and other disputes arising

2 between the carrier and the enrollee that are not otherwise
3 resolved by available grievance procedures.

4 11. Marketing; marketing materials. The board shall
5 develop standards for reviewing and approving marketing materials
6 offered to alliance members by participating carriers. The board
7 shall establish procedures for distributing marketing information
8 to alliance members and potential alliance members.

10 12. Health benefit plans. Subject to the insurance laws of
11 this State, the board shall establish no more than 10 health
12 benefit plans that may be sold within the alliance. At least one
13 health benefit plan must offer coverage equivalent to the state
14 employee health plan as defined under Title 5, sections 285 and
15 288. At least one health benefit plan must be a fee-for-service
16 policy. For at least one fee-for-service health benefit plan,
17 there must be an actuarially equivalent managed care health
18 benefit plan. The alliance may establish supplemental benefit
19 plans that may be offered through the alliance. The supplemental
20 plans may cover services not covered in the health benefit plans.

22 13. Underserved areas. The board shall develop standards
23 for designating underserved and rural populations and shall
24 develop standards for determining when a carrier has made all
25 best efforts to extend its service area to and improve access for
26 those populations. When applicable, all best efforts include
27 good faith negotiation with providers serving underserved and
28 rural populations.

30 14. Agents. The board may establish relationships with
31 agents to facilitate the purchase of health care coverage through
32 the alliance. The board may offer training and information
33 programs to educate agents on alliance operations and products.

34 15. Cooperative purchasing committee. Consistent with
35 Title 5, section 288, the board shall establish policies and
36 procedures for participating in the cooperative purchasing
37 committee and for coordinating and facilitating the cooperative
38 purchasing of health care coverage with the State Employee Health
39 Commission.

42 **§3406. Eligible carriers**

44 1. Qualifications. To be eligible as a participating
45 carrier, a carrier must be able to demonstrate the following
46 operating characteristics to the board's satisfaction.

48 A. The carrier must be licensed by the bureau as authorized
49 to operate in this State.

50

2 B. The carrier must have the ability to provide alliance
4 enrollees with adequate capacity and reasonable access to
covered services in any part of the State where that carrier
is authorized to do business.

6 C. The carrier must have established grievance procedures,
8 including the ability to respond to enrollees' calls,
questions and complaints.

10 D. If the carrier does not have a license to operate in all
12 parts of this State, the carrier must have demonstrated that
it has made all best efforts to extend its service area to,
14 and improve access for, rural and underserved populations
designated by the board.

16 E. The carrier must have the ability, to the satisfaction
18 of the board, to provide the data necessary for reviewing
the quality and appropriateness of the care provided.

20 2. Selection of carriers. In evaluating which eligible
22 carriers may participate in the alliance, the board shall
consider, in addition to other factors it considers relevant, the
24 following factors:

26 A. Pricing and competitiveness of each bid from a carrier;

28 B. The effect of contracting with additional carriers on
30 the administrative costs of the alliance and on alliance
members, the efficiency of the alliance and the
32 competitiveness of the premiums that will be paid to
participating carriers; and

34 C. Evidence of quality of care and consumer satisfaction.

36 3. Participation. A participating carrier shall:

38 A. Offer one or more standardized health benefit plans
40 authorized by the board pursuant to section 3405, subsection
12;

42 B. Provide for collection and reporting to the alliance of
44 information on the effectiveness and outcomes of the health
benefit plan in providing selected services;

46 C. Accept and renew each health benefit plan with respect
48 to each participating consumer, except in the following
cases:

50 (1) Nonpayment of the required premiums;

2 (2) Willful or deliberate fraud or material
misrepresentation by the alliance member; or

4 (3) Election by the participating carrier to terminate
its contract with the alliance. The carrier shall
6 provide to the alliance, the bureau and to affected
participating consumers, notice of the carrier's
8 decision to terminate its contract with the alliance at
least 180 days prior to the nonrenewal of any health
10 benefit plan;

12 D. Comply with all rules regarding rating, underwriting,
claims handling, sales, solicitation, licensing, fair
14 marketing, unfair trade practices and other provisions in
this chapter and chapter 24-A, established by the alliance
16 or adopted by the bureau;

18 E. Consistent with the standards set forth in paragraph C,
enroll and disenroll participating consumers and dependents
20 as directed by the alliance or its designee;

22 F. Agree not to offer lower premium prices to nonmembers of
the alliance for the actuarial equivalent of any health
24 benefit plan that the carrier sells to participating
consumers; and

26 G. Comply with any other requirement established by the
board pursuant to this chapter or pursuant to the contract
28 between the alliance and the participating carrier.

30 4. Failure to maintain compliance. The board may suspend
32 or revoke the eligibility of any carrier that fails to maintain
compliance with the requirements listed in this section.

34 **§3407. Agent commissions**

36 Commissions paid to an agent for coverage purchased through
the alliance must be collected by the agent directly from the
38 purchaser of the agent's services and may not be considered part
of the premium collected by the alliance. An agent may not be
40 paid a commission calculated as a percentage of actual premium
42 cost. The agent may be paid a commission calculated as a
percentage of average premium cost for the relevant enrollment
44 period. The board shall determine an average premium cost for
the relevant enrollment period.

46 **§3408. Effective date**

48 This chapter takes effect January 1, 1997.

2 with section 288, the commission shall contract with one or more
3 carriers to administer or provide the benefits specified in the
4 state employee health plan. The contract or contracts must be in
5 writing and fully executed within 90 calendar days of
6 notification of bid acceptance from the commission to the insurer
7 carrier. In extenuating circumstances, the Commissioner of
8 Administrative and Financial Services may grant a waiver to that
9 90-day limit. ~~Notwithstanding this subsection, with the consent~~
10 ~~of the policyholder and of the insurer and at the sole discretion~~
11 ~~of the commission, existing policies of insurance covering at~~
12 ~~least 1,000 of the employees defined as eligible by this section~~
13 ~~may be amended to provide the benefits specified by this section~~
14 ~~and assigned to the Commissioner of Administrative and Financial~~
15 ~~Services for the benefit of all these eligible under this~~
16 ~~section. The company or companies or nonprofit organizations~~
17 ~~must be licensed under the laws of the State, when applicable.~~
18 The policy contract provisions are subject to and as provided for
19 by the insurance laws of this State, when applicable.
20 Notwithstanding any other provisions of law, the term of a
contract executed with a successful bidder may not exceed 3 years.

22 **Sec. B-8. 5 MRSA §285, sub-§6,** as amended by PL 1991, c. 780,
23 Pt. Y, §24, is further amended to read:

24
25 **6. Master policy and certificates.** ~~The insurance company,~~
26 ~~companies or nonprofit organizations~~ carrier or carriers selected
27 pursuant to subsection 5 or the Commissioner of Administrative
28 and Financial Services shall furnish the usual master policy and
29 certificates. Each covered participant must receive a certificate
30 setting forth the benefits to which the participant is entitled,
31 to whom payable, and to whom claims must be submitted, and
32 summarizing the provisions of the policy principally affecting
33 the participant.

34
35 **Sec. B-9. 5 MRSA §285, sub-§7,** as amended by PL 1995, c. 368,
36 Pt. G, §2, is further amended to read:

37
38 **7. Payment by State.** Except as otherwise provided in this
39 subsection, the State, through the commission, shall pay 100% of
40 ~~only the employee's share of this health plan, except for the~~
41 ~~premiums for the employee's coverage, not to exceed the cost of~~
42 the lowest-cost state employee health plan. For Legislators, ~~for~~
43 ~~whom~~ the State also shall pay 50% of the health plan premium for
44 dependent coverage. For any person appointed to a position after
45 November 1, 1981, who is employed less than full time, the State
46 shall pay a share of the employee's share reduced pro rata to
47 reflect the reduced number of work hours.

48
49 For persons who were first employed before July 1, 1991, the
50 State shall pay 100% of only the retiree's share of the premiums

2 for the lowest cost state employee health plan for persons who
3 were previously eligible for this health plan pursuant to
4 subsection 1, paragraph A and who have subsequently become
5 eligible pursuant to subsection 1, paragraph G.

6 For persons who were first employed by the State after July 1,
7 1991, the State shall pay a pro rata share portion of only the
8 retiree's share of the premiums, as described in this section,
9 for the lowest cost state employee health plan for persons who
10 were previously eligible for this health plan pursuant to
11 subsection 1, paragraph A and who have subsequently become
12 eligible pursuant to subsection 1, paragraph G based on the total
13 number of years of participation in the group health plan prior
14 to retirement as follows:

16	Years of Participation	State Portion
18	10 or more years	100% group health plan premium
20	9 but less than 10 years	90% group health plan premium
22	8 but less than 9 years	80% group health plan premium
24	7 but less than 8 years	70% group health plan premium
26	6 but less than 7 years	60% group health plan premium
28	5 but less than 6 years	50% group health plan premium
30	Less than 5 years	No contribution

32 **Sec. B-10. 5 MRSA §285, sub-§8-B** is enacted to read:

34 8-B. Choice of carriers. Any person eligible under
35 subsection 1 or 1-A may select the carrier from which the State
36 shall purchase the state employee health plan on the eligible
37 person's behalf. The eligible person shall choose a carrier that
38 provides coverage where that person lives or works. The
39 commission shall provide the eligible person with adequate
40 information to make a choice between carriers. That information
41 must include, but is not limited to, the cost of coverage with
42 that carrier and a list of the health care providers available
43 with that carrier if the person's choice of health care provider
44 is restricted. If the eligible person fails to choose a carrier,
45 the commission shall purchase the state employee health plan from
46 the carrier offering the lowest price and providing coverage
47 where that person lives. The eligible person may choose a
48 carrier charging more than the lowest-cost state employee health
49 plan, in which case that person shall pay the difference between
50 the cost and the State's contribution.

2 **Sec. B-11. 5 MRSA §285-A, sub-§1**, as amended by PL 1991, c.
780, Pt. Y, §25, is further amended to read:

4
6 **1. Establishment.** The State Employee Health Commission, in
this subchapter referred to as the "commission," is established
8 to serve as trustee of the group state employee health plan in
this subchapter and to advise the Executive Director of Health
10 Insurance and the Director of the Bureau of Human Resources on
health insurance issues and the Director of the Bureau of Human
12 Resources on issues concerning employee health and wellness and
the State Employee Assistance Program.

14 **Sec. B-12. 5 MRSA §288** is enacted to read:

16 **§288. Cooperative health benefits purchasing**

18 The State Employee Health Commission, established in section
285-A and referred to in this section as the "commission," shall
20 join with the Maine Community Purchasing Alliance, established in
Title 24, chapter 29 and referred to in this section as the
22 "alliance," to negotiate and purchase collectively health
benefits on behalf of persons eligible under section 285 and
24 alliance members. The commission and the alliance shall develop
policies for their cooperative purchasing as follows.

26 **1. Joint policies.** The commission and the alliance
28 collectively shall establish procedures for joint decision making
and dispute resolution as required by this section.

30 **2. Cooperative purchasing committee.** The cooperative
32 purchasing committee, referred to in this section as the
"committee," is established and consists of 2 commission members
34 and 2 alliance board members and other members as allowed
pursuant to subsection 7. The commission shall appoint one
36 employee representative and one management representative to the
committee. The alliance shall appoint one consumer
38 representative and one employer representative to the committee.
The committee has the following functions.

40 **A.** Under the direction of the commission and the alliance,
42 the committee shall develop and issue joint requests for
proposals for the state employee health plan and for the
44 health benefit plans offered by the alliance.

46 **B.** The committee shall review bids and negotiate with
48 carriers. The committee may only consider a bid that, at a
minimum, offers coverage to alliance members under the
50 equivalent of the state employee health plan and one other
health benefit plan offered in the alliance, as described in

2 Title 24, section 3405, subsection 12. The committee shall
3 ensure that differences in prices offered the alliance board
4 and prices offered the commission are based upon actuarially
5 significant differences in the composition of the state
6 employee health plan membership and the alliance membership.

7 The committee may perform its functions in closed session.

8
9 3. Joint purchasing. When the committee has reached
10 agreement that it has obtained a bid or bids satisfactory to both
11 the alliance and the commission, the commission and the alliance
12 shall vote separately on whether to accept the bids. Any
13 disagreement between the alliance and the commission must be
14 resolved according to their dispute resolution policies
15 established under subsection 1.

16
17 4. Negotiation; competitive bidding. The commission may
18 conduct the development of the request for proposals, the bid
19 review and award and the negotiations in closed session. The
20 commission shall otherwise comply with competitive bidding
21 requirements unless, upon a finding that compliance with
22 competitive bidding requirements will undermine the joint
23 purchasing activities of the alliance and the commission and that
24 satisfactory alternative safeguards are in place, the
25 Commissioner of Administrative and Financial Services waives one
26 or more competitive bidding requirements.

27 5. Term of contract. The term of the contract for the
28 purchase of the state employee health plan and the health benefit
29 plans offered through the alliance must be one year unless
30 otherwise agreed to by the alliance board, the commission and the
31 carrier.

32
33 6. State employee health plan. For the purposes of this
34 section, the state employee health plan need not include coverage
35 for vision or dental services or other health services not
36 typically purchased as part of a health benefit plan.

37
38 7. Other cooperative members. With the agreement of the
39 commission and the alliance, the Department of Human Services may
40 purchase coverage for Medicaid beneficiaries through the
41 committee according to the requirements set forth in this
42 section. If the Department of Human Services purchases coverage
43 pursuant to this subsection, the department may appoint one
44 member to the committee.

45
46 Sec. B-13. Effective date. This Part takes effect January 1,
47 1997.

48
49 **PART C**

2 **Sec. C-1. 24 MRSA §2349, sub-§2, ¶B**, as enacted by PL 1989, c.
3 867, §1 and affected by §10, is repealed and the following
4 enacted in its place:

6 B. Coverage under the prior contract or policy terminated:

8 (1) Within 180 days before the date the person enrolls
9 or is eligible to enroll in the succeeding contract if:

10 (a) Coverage was terminated due to unemployment,
11 as defined in Title 26, section 1043;

12 (b) The person was eligible for and received
13 unemployment compensation benefits for the period
14 of unemployment, as provided under Title 26,
15 chapter 13; and

16 (c) The person is employed at the time
17 replacement coverage is sought under this
18 provision; or

19 (2) Within 3 months before the date the person enrolls
20 or is eligible to enroll in the succeeding contract.

21 A period of ineligibility for any health plan imposed by
22 terms of employment may not be considered in determining
23 whether the coverage ended within a time period specified
24 under this section.

25 **Sec. C-2. 24-A MRSA §707, sub-§3**, as amended by PL 1995, c.
26 375, Pt. C, §4, is further amended to read:

27 3. An insurer other than a casualty insurer may transact
28 employee benefit excess insurance only if that insurer is
29 authorized to insure the class of risk assumed by the underlying
30 benefit plan. Employee benefit excess insurance, even if written
31 by a life or health insurer, is not subject to chapters 29 and 31
32 to 37, except to the extent that particular provisions are made
33 expressly applicable by rule or law. The No later than July 1,
34 1997, the superintendent may shall by rule set standards
35 distinguishing excess insurance from basic insurance. In
36 developing these standards the superintendent may consider the
37 analysis supporting the recommendations of the National
38 Association of Insurance Commissioners.

39 **Sec. C-3. 24-A MRSA §1549** is enacted to read:

40 §1549. Disclosure by agents and brokers

2 Every agent or broker representing one or more carriers for
the purpose of selling health plans shall do all of the following.

4 1. Disclosure. When providing information to a potential
purchaser of a health plan and prior to filing an application for
6 a particular health plan, the agent or broker shall:

8 A. For a potential purchaser of an individual health plan
10 as defined under section 2736-C or a potential purchaser of
12 a small group health plan as defined in section 2808-B,
14 advise the potential purchaser of the carrier's obligation
to sell any of the individual and small group health plans
it offers and provide the purchaser, upon request, with the
actual rates that would be charged for a given benefit plan
design;

16 B. Notify the potential purchaser of all alternative health
18 plans offered by the agent's carrier or the broker that the
potential purchaser would be eligible to purchase;

20 C. Notify a potential purchaser of health plans offered
22 through the Maine Community Purchasing Alliance established
24 under Title 24, chapter 29 that the potential purchaser
would be eligible to purchase;

26 D. Refrain from offering a specific recommendation as to
which health plan the potential purchaser should choose;

28 E. Notify the potential purchaser that, upon request, the
30 agent will provide rate information on any benefit plan
32 offered by a carrier for whom the agent or broker sells
health benefit plans or any health benefit plan offered by
the Maine Community Purchasing Alliance;

34 F. Notify the potential purchaser that, upon request, the
36 agent will provide the potential purchaser with a summary
38 brochure, as required in section 6652, for each health
benefit plan design offered by a carrier the agent
represents; and

40 G. Notify the potential purchaser of the commission or fee
42 paid to the agent or broker. A carrier may not vary
44 compensation or commissions to agents or brokers based,
directly or indirectly, on the anticipated or actual claims
46 experience or health status associated with parties to which
each health plan is sold.

48 2. Acknowledgment. Upon filing an application for a
particular health benefit plan, the agent shall obtain a signed

2 statement from the purchaser acknowledging that the purchaser has
3 received the disclosures required by this section.

4 3. Carrier. For the purposes of this section, "carrier"
5 means an insurer, health maintenance organization, nonprofit
6 hospital or medical service organization authorized in this State.

8 4. Health plan. For the purposes of this section, "health
9 plan" means a plan operated by a carrier that provides for the
10 financing or delivery of health care services to persons enrolled
11 in the plan.

12 **Sec. C-4. 24-A MRSA §2736-C, sub-§2, ¶D,** as amended by PL
14 1995, c. 177, §1, is further amended to read:

16 D. A carrier may vary the premium rate due to age, smoking
17 status, occupation or industry, and geographic area only
18 under the following schedule and within the listed
19 percentage bands.

20 (1) For all policies, contracts or certificates that
21 are executed, delivered, issued for delivery, continued
22 or renewed in this State between December 1, 1993 and
23 July 14, 1994, the premium rate may not deviate above
24 or below the community rate filed by the carrier by
25 more than 50%.

28 (2) For all policies, contracts or certificates that
29 are executed, delivered, issued for delivery, continued
30 or renewed in this State between July 15, 1994 and July
31 14, 1995, the premium rate may not deviate above or
32 below the community rate filed by the carrier by more
33 than 33%.

34 (3) For all policies, contracts or certificates that
35 are executed, delivered, issued for delivery, continued
36 or renewed in this State after between July 15, 1995
37 and July 14, 1997, the premium rate may not deviate
38 above or below the community rate filed by the carrier
39 by more than 20%.

42 (4-A) For all policies, contracts or certificates that
43 are executed, delivered, issued for delivery, continued
44 or renewed in this State between July 15, 1997 and July
45 14, 1998, the premium rate may not deviate above or
46 below the community rate filed by the carrier by more
47 than 10%.

48 (5-A) For all policies, contracts or certificates that
49 are executed, delivered, issued for delivery, continued
50 or renewed in this State between July 15, 1998 and July
51 14, 1999, the premium rate may not deviate above or
52 below the community rate filed by the carrier by more
53 than 10%.

2 or renewed in this State on or after July 15, 1998, the
3 premium rate may not deviate above or below the
4 community rate filed by the carrier.

6 **Sec. C-5. 24-A MRSA §2804-A** is enacted to read:

8 **§2804-A. Duties of the employer**

10 The superintendent shall adopt rules requiring that every
11 employer, as defined in Title 26, section 1043, provide access to
12 and information about health care benefits for that employer's
13 employees in accordance with the following provisions. At a
14 minimum, the rules must require an employer to offer each
15 employee access to health care benefits.

16 **1. Health care benefits.** For the purposes of this section,
17 "access to health care benefits" means:

18 A. Access to health care benefits of at least the actuarial
19 equivalent of a standard plan, as defined in section 2808-B,
20 offered through an insurer, a health maintenance
21 organization or a nonprofit hospital or medical service
22 organization authorized to do business in this State; or

23 B. Access to health care benefits through a health benefits
24 plan qualified under the federal Employee Retirement Income
25 Security Act of 1974, 29 United States Code, Sections 1001
26 to 1461 (1988).

27 **2. Payment for benefits.** The employer shall offer payroll
28 deduction for an employee's payment for health care benefits.
29 The employer may financially contribute toward the purchase of
30 the employee's health benefit plan.

31 **Sec. C-6. 24-A MRSA §2808, sub-§1-A** is enacted to read:

32 **1-A. Purchase of health care coverage by Maine Community**
33 **Purchasing Alliance.** Nothing in this section may be construed to
34 prevent the purchase of health care coverage by the Maine
35 Community Purchasing Alliance established in Title 24, chapter 29
36 on behalf of its members.

37 **Sec. C-7. 24-A MRSA §2808-B, sub-§1, ¶D,** as enacted by PL
38 1991, c. 861, §2, is amended to read:

39 D. "Eligible group" means any person, firm, corporation,
40 partnership, association or subgroup engaged actively in a
41 business that during at least 50% of its working days in the
42 preceding calendar quarter employed fewer than 25 100
43 eligible employees, the majority of whom are employed within

2 the State. In determining the number of eligible employees,
3 companies that are affiliated companies or that are eligible
4 to file a combined tax return for purposes of state taxation
5 are considered one employer. In the calculation of carrier
6 percentage participation requirements, eligible employees
7 and their dependents who have existing health care coverage
8 may not be considered in the calculation.

9
10 **Sec. C-8. 24-A MRSA §2808-B, sub-§1, ¶H,** as enacted by PL
11 1991, c. 861, §2, is amended to read:

12 H. "Subgroup" means an employer with fewer than 25 100
13 employees within an association or a multiple employer trust
14 or any similar subdivision of a larger group covered by a
15 single group health policy or contract.

16
17 **Sec. C-9. 24-A MRSA §2808-B, sub-§2, ¶D,** as amended by PL
18 1995, c. 177, §2, is further amended to read:

19 D. A carrier may vary the premium rate due to age, smoking
20 status, occupation or industry, and geographic area only
21 under the following schedule and within the listed
22 percentage bands.

23
24 (1) For all policies, contracts or certificates that
25 are executed, delivered, issued for delivery, continued
26 or renewed in this State between July 15, 1993 and July
27 14, 1994, the premium rate may not deviate above or
28 below the community rate filed by the carrier by more
29 than 50%.

30
31 (2) For all policies, contracts or certificates that
32 are executed, delivered, issued for delivery, continued
33 or renewed in this State between July 15, 1994 and July
34 14, 1995, the premium rate may not deviate above or
35 below the community rate filed by the carrier by more
36 than 33%.

37
38 (3) For all policies, contracts or certificates that
39 are executed, delivered, issued for delivery, continued
40 or renewed in this State ~~after~~ between July 15, 1995
41 and July 14, 1997, the premium rate may not deviate
42 above or below the community rate filed by the carrier
43 by more than 20%.

44
45 (4-A) For all policies, contracts or certificates that
46 are executed, delivered, issued for delivery, continued
47 or renewed in this State between July 15, 1997 and July
48 14, 1998, the premium rate may not deviate above or

2 below the community rate filed by the carrier by more
3 than 10%.

4 (5-A) For all policies, contracts or certificates that
5 are executed, delivered, issued for delivery, continued
6 or renewed in this State on or after July 15, 1998, the
7 premium rate may not deviate above or below the
8 community rate filed by the carrier.

10 **Sec. C-10. 24-A MRSA §2849-B, sub-§2, ¶B,** as amended by PL
11 1993, c. 666, Pt. D, §4, is repealed and the following enacted in
12 its place:

14 B. Coverage under the prior contract or policy terminated:

16 (1) Within 180 days before the date the person enrolls
17 or is eligible to enroll in the succeeding contract if:

18 (a) Coverage was terminated due to unemployment,
19 as defined in Title 26, section 1043;

22 (b) The person was eligible for and received
23 unemployment compensation benefits for the period
24 of unemployment, as provided under Title 26,
25 chapter 13; and

26 (c) The person is employed at the time
27 replacement coverage is sought under this
28 provision; or

30 (2) Within 3 months before the date the person enrolls
31 or is eligible to enroll in the succeeding contract.

34 A period of ineligibility for any health plan imposed by
35 terms of employment may not be considered in determining
36 whether the coverage ended within a time period specified
37 under this section; and

38 **Sec. C-11. Effective date.** This Part takes effect January 1,
39 1997.

42 **PART D**

44 **Sec. D-1. 24-A MRSA c. 83** is enacted to read:

46 **CHAPTER 83**

48 **THE HEALTH PLAN QUALITY IMPROVEMENT ACT**

50 **§6651. Definitions**

2 As used in this chapter, unless the context otherwise
3 indicates, the following terms have the following meanings.

4 1. Bureau. "Bureau" means the Bureau of Insurance.

6 2. Carrier. "Carrier" means an insurance company licensed
7 in accordance with this Title, a health maintenance organization
8 licensed pursuant to chapter 56, a preferred provider
9 organization licensed pursuant to chapter 32, a
10 physician-hospital organization, a nonprofit hospital or medical
11 service organization organized pursuant to Title 24, an
12 administrator licensed pursuant to chapter 18, a utilization
13 review entity licensed pursuant to chapter 34 or any other entity
14 that provides or administers health care coverage. This
15 definition does not include employers exempted from the
16 applicability of this chapter under the federal Employee
17 Retirement Income Security Act of 1974, 29 United States Code,
18 Sections 1001 to 1461 (1988).

20 3. Direct service ratio. "Direct service ratio" means the
21 ratio of benefits returned to policyholders or contract holders,
22 not including refunds or credits, to premiums collected.

24 4. Emergency medical condition. "Emergency medical
25 condition" means:

28 A. A medical condition manifesting itself by acute symptoms
29 of such severity, including severe pain, that the absence of
30 immediate medical attention could reasonably be expected to
31 result in:

32 (1) Placing the health of the individual or, with
33 respect to a pregnant woman, the health of the woman or
34 the unborn child in serious jeopardy;

35 (2) Serious impairment to bodily function; or

36 (3) Serious dysfunction of any bodily organ or part; or

37 B. With respect to a pregnant woman who is having
38 contractions:

39 (1) That there is inadequate time to effect a safe
40 transfer from one hospital to another hospital before
41 delivery; or

42 (2) That the transfer from one hospital to another
43 hospital may pose a threat to the health or safety of
44 the woman or the unborn child.

2 5. Emergency services. "Emergency services" means those
covered services provided after the sudden onset of an emergency
4 medical condition.

6 6. Enrollee. "Enrollee" means an enrolled employee, an
enrolled individual or a dependent of an enrolled employee or
8 enrolled individual.

10 7. Health plan. "Health plan" means a plan operated or
administered by a carrier that provides for the financing or
12 delivery of health care services to persons enrolled in the plan.

14 8. Managed care plan. "Managed care plan" means a plan
operated or administered by a carrier that provides for the
16 financing or delivery of health care services to persons enrolled
in the plan through:

18 A. Arrangements with selected providers to furnish health
20 care services;

22 B. Explicit standards for the selection of participating
24 providers;

26 C. Financial incentives for persons enrolled in the plan to
use the participating providers and procedures provided for
28 by the plan; or

30 D. Arrangements that share risks with providers.

32 9. Participating provider. "Participating provider" means
a licensed or certified provider of health care services,
34 including mental health services, or a health care supplier that
has entered into an agreement with a carrier to provide those
36 services or supplies to a patient enrolled in a managed care plan.

38 10. Superintendent. "Superintendent" means the
Superintendent of Insurance.

40 §6652. Reporting requirements

42 To operate in this State, a carrier must comply with the
44 following requirements.

46 1. Description of plan. A carrier shall prepare for each
health plan that it offers a brochure to provide to prospective
48 enrollees, and to members of the public and nonparticipating
providers upon request, that contains information on the terms
50 and conditions of the health plan to enable those persons to make
informed decisions regarding their choice of plan. A carrier
shall provide this information annually to current enrollees,

2 participating providers and the superintendent. This information
3 must be presented in a format acceptable to the superintendent.
4 All written and oral descriptions of the health plan must be
5 truthful and must use appropriate and objective terms that are
6 easy to understand. These descriptions must be consistent with
7 standards developed for supplemental insurance coverage under the
8 United States Social Security Act, Title XVIII, 42 United States
9 Code, Sections 301 to 1397 (1988). Descriptions of health plans
10 under this subsection must be standardized so that enrollees may
11 compare the attributes of the health plans. After a carrier has
12 provided the required information, the annual information
13 requirement under this subsection may be satisfied by the
14 provision of any amendments to the materials on an annual basis.
15 Specific items that must be included in a description are as
16 follows:

17 A. Coverage provisions, benefits and any exclusions by
18 category of service, type of provider and, if applicable, by
19 specific service, including but not limited to the following
20 types of exclusions and limitations:

21 (1) Health care services excluded from coverage;

22 (2) Health care services requiring copayments or
23 deductibles paid by enrollees;

24 (3) Restrictions on access to a particular provider
25 type; and

26 (4) Health care services that are or may be provided
27 only by referral;

28 B. Any prior authorization or other review requirements,
29 including preauthorization review, concurrent review,
30 postservice review, postpayment review and any procedures
31 that may lead the enrollee to be denied coverage or not be
32 provided a particular service;

33 C. Financial arrangements or contractual provisions with
34 hospitals, review companies, physicians and any other
35 providers of health care services that could potentially
36 limit the services offered, restrict referral or treatment
37 options or negatively affect the providers' fiduciary
38 responsibility to the providers' patients, including, but
39 not limited to, financial incentives not to provide medical
40 services or other services;

41 D. An explanation of how health plan limitations affect
42 enrollees, including information on enrollee financial
43 responsibilities for payment of coinsurance or other
44 responsibilities;

2 noncovered or out-of-plan services and limits on preexisting
3 conditions and waiting periods;

4 E. The terms under which the health plan may be renewed by
5 the plan members or enrollees, including any reservation by
6 the health plan of any right to increase premiums;

8 F. A statement as to when benefits cease in the event of
9 nonpayment of the prepaid or periodic premium and the effect
10 of nonpayment upon the enrollees who are hospitalized or
11 undergoing treatment for an ongoing condition;

12 G. A description of the enrollees' right to appropriate and
13 accessible care in a timely fashion, an effective and timely
14 grievance process, timely determinations of coverage issues,
15 confidentiality of medical records, written copies of
16 coverage decisions that are not explicit in the health plan
17 agreement and 2nd opinions when used in grievance procedures
18 as outlined in section 6657. The description must also
19 include the enrollees' right not to be discriminated against
20 based on health status and the right to refuse treatment
21 without jeopardizing future treatment; and

22 H. The relative value of the health plan based on an
23 actuarial index of benefit factors developed by the bureau.
24 The benefit factors must use standard assumptions for all
25 plans and measure the cost differences associated with
26 benefit levels and the expected impact of the benefit level
27 on utilization.

28 2. Schedule of revenue costs and expenses. A carrier, for
29 each health plan that it offers, shall provide the following
30 information annually to the superintendent in accordance with
31 definitions of terms in this subsection set by the superintendent:

32 A. A schedule of revenues and expenses, including direct
33 service ratios;

34 B. Health plan revenue;

35 C. Health plan administrative costs; and

36 D. Health plan costs of medical services.

37 As necessary, the superintendent may require the carrier to
38 furnish supporting detail for the information required in this
39 subsection.

40 3. Plan complaint, adverse decisions and prior
41 authorization statistics. A carrier shall provide annually to

2 the superintendent information for each health plan that it
3 offers on plan complaints, adverse decisions and prior
4 authorization statistics. This statistical information must
5 contain, at a minimum:

6 A. The ratio of the number of complaints received to the
7 total number of enrollees, reported by type of complaint and
8 category of enrollee;

10 B. The ratio of the number of adverse decisions issued to
11 the number of complaints received, reported by category;

12 C. The ratio of the number of prior authorizations denied
13 to the number of prior authorizations requested, reported by
14 category;

16 D. The ratio of the number of successful enrollee appeals
17 to the total number of appeals filed;

20 E. The percentage of disenrollments by enrollees and
21 providers from the health plan within the previous 12 months
22 and the reasons for the disenrollments. With respect to
23 enrollees, the information provided in this paragraph must
24 differentiate between voluntary and involuntary
25 disenrollments; and

26 F. Enrollee satisfaction statistics, including complaints
27 received, provider-to-enrollee ratio by geographic region
28 and medical specialty and a report on what actions, if any,
29 the carrier has taken to improve complaint handling and
30 eliminate the causes of valid complaints.

32 **4. Acceptable methods of providing information.** A carrier
34 may meet any of the reporting requirements set forth in this
35 section by providing information in conformity with the
36 requirements of the federal Health Maintenance Organization Act
37 of 1973, 42 United States Code, Sections 280c and 300e to 300e-17
38 (1988), or any other applicable state or federal law or any
39 accrediting organization recognized by the superintendent, as
40 long as the superintendent finds that the information is
41 substantially similar to the information required by this section
42 and is presented in a format that provides a meaningful
43 comparison between health plans. When the superintendent
44 determines that it is feasible and appropriate, the information
45 required by this section must be provided by geographic region,
46 age, gender and employer or group. With respect to geographical
47 breakdown, the information must be provided in a manner that
48 permits comparisons between urban and rural areas.

2 The superintendent shall compile information relevant to a
4 meaningful comparison of health plans from the information
6 reported according to this section into an annual report and
8 shall make the report available to the public and other
10 interested persons. The report must be presented in a format
12 that provides a meaningful comparison between health plans. The
14 report must also include a description of the data reported as
16 well as a disclaimer regarding any limitations on the use of the
18 data.

20 **§6653. Plan requirements**

22 A health plan in this State must meet the following
24 requirements.

26 1. **Provider participation; credentials.** For managed care
28 plans the participation of providers and the granting of
30 credentials is governed by this subsection.

32 A. A managed care plan must establish credentials for
34 participating providers and allow all providers within the
36 managed care plan's geographic service area to apply for
38 these credentials, if those providers provide services
40 covered by the managed care plan.

42 B. The credential-granting process begins upon application
44 of a provider to a managed care plan, except that if a
46 managed care plan demonstrates that the plan's provider
48 panel is full, the managed care plan need not undertake the
50 credential-granting process. To qualify for this exception,
the managed care plan must demonstrate, to the
superintendent's satisfaction, that it satisfies all of the
access standards set forth in this chapter.

C. If a managed care plan is accepting applications and a
provider is denied participation, that provider's
application must be reviewed by a credential-granting
committee that contains appropriate representation of the
applicant's specialty.

D. The granting of credentials must be based on standards
of quality and performance, which may include economic
profiling, with input from providers granted credentials by
the managed care plan. A description of these standards
must be made available to applicants and enrollees.
Economic profiling of a provider must reflect variation in
case mix, patient age and other factors outside the control
of the provider that influence the cost of care. Providers
may review and must be given an opportunity to contest these
economic profiles.

2 E. A managed care plan may not discriminate against
4 enrollees based on health status by excluding a provider
6 based solely on the fact that the provider's practice
 contains a substantial number of patients with chronic or
 disabling medical conditions.

8 F. All decisions regarding the granting of credentials must
10 be in writing. The applicant must be provided with all
12 reasons for the denial of an application or nonrenewal of a
 contract.

14 G. A managed care plan may not include any clause in a
16 provider's contract that allows the managed care plan to
18 terminate the contract without cause. Nothing in this
20 subsection prohibits a managed care plan from terminating a
 provider's contract on the grounds of excess capacity when
 the managed care plan demonstrates, to the superintendent's
 satisfaction, that the managed care plan complies with the
 access standards set out in this chapter.

22 H. A managed care plan may not terminate or restrict in any
24 way a provider's contract because the provider advocates for
 medically appropriate care.

26 (1) For the purposes of this paragraph, "to advocate
28 for medically appropriate care" means to appeal a
30 managed care plan's decision to deny payment for a
32 service pursuant to a reasonable grievance or appeal
34 procedure or to protest a decision, policy or practice
36 that the provider, consistent with the degree of
 learning and skill ordinarily possessed by reputable
 providers practicing in the same or similar locality
 under similar circumstances, reasonably believes
 impairs the provider's ability to provide medically
 appropriate health care to the provider's patients.

38 (2) Nothing in this paragraph may be construed to
40 prohibit a managed care plan from making a
42 determination not to pay for a particular medical
44 treatment or service or to prohibit a plan from
 enforcing reasonable peer review or utilization review
 protocols or determining whether a provider has
 complied with those protocols.

46 I. There must be an appeal process available for all
48 adverse decisions. The bureau shall determine whether the
50 process provided by a managed care plan is consistent with
 due process, using as a standard the due process provisions
 contained in the federal Health Care Quality Improvement Act

2 of 1986, 42 United States Code, Sections 11101 to 11152
(1988).

4 2. Confidentiality. A carrier shall establish procedures
6 to ensure that all applicable federal and state laws designed to
protect the confidentiality of provider and individual medical
records are followed.

8
10 3. Grievance procedures. All health plans must have a
grievance procedure as set out in section 6657.

12 **§6654. Utilization review**

14 If a health plan in this State requires prior authorization
16 or other review requirements, including any requirements that may
lead a patient to be denied coverage or not be provided a
18 particular service, that health plan must comply with chapter 34
and any applicable rules in conducting utilization reviews. In
20 addition, the health plan must comply with the following
requirements.

22 1. Requirements for medical review or utilization review
practices. A carrier must appoint a medical director who is
24 responsible for all clinical decisions by any health plan that it
offers and must provide assurances that the medical review or
26 utilization review practices it uses, and the medical review or
utilization review practices of payers or reviewers with whom it
28 contracts, comply with the following requirements.

30 A. Screening criteria, weighting elements and computer
algorithms utilized in the review process and their method
32 of development must be released, upon request, to providers
and the public. Such criteria must be based on sound
34 scientific principles to the greatest extent possible.

36 B. Any person who recommends denial of coverage or payment,
or determines that a service should not be provided, based
38 on medical necessity standards, must have relevant training
and expertise that are, at a minimum, comparable to those of
40 the treating provider.

42 2. Same-day telephone responses. Health plan personnel
must respond to telephone inquiries about medical necessity,
44 including approval of a continued stay in a health care facility,
on the same day the inquiry is made.

46
48 3. Prior authorization of nonemergency services. A carrier
shall ensure that provider requests for prior authorization of a
49 nonemergency service are answered within 2 business days. If the
information submitted is insufficient to make a decision, the
50

2 carrier shall notify the provider within 2 business days of the
3 additional information necessary to render a decision. If the
4 carrier determines that outside consultation is necessary, the
5 carrier shall notify the provider and the enrollee for whom the
6 service was requested within 2 business days. The carrier shall
7 make a good faith estimate of when the final determination will
8 be made and contact the enrollee and the provider as soon as
9 practicable. Notification requirements under this subsection are
10 satisfied by written notification postmarked within the time
11 limit specified.

12 4. Medical information release consent forms. When prior
13 authorization is a condition to coverage of a service, a carrier
14 shall ensure that an enrollee signs a medical information release
15 consent form upon enrollment.

16 **§6655. Quality of care**

17 A carrier shall ensure that the health care services
18 provided to enrollees are rendered under reasonable standards of
19 quality of care consistent with the prevailing standards of
20 medical practice in the community.

21 1. Internal quality assurance program. A health plan must
22 have an ongoing quality assurance program for the health care
23 services provided or reimbursed by the health plan.

24 2. Written standards. The standards of quality of care
25 must be described in a written document, which must be available
26 for examination by the superintendent or by the Department of
27 Human Services.

28 **§6656. Enrollee choice of provider**

29 1. Choice of provider. A managed care plan must allow
30 enrollees to choose their own participating providers, as allowed
31 under the managed care plan's rules, from among the panel of
32 participating providers made available to enrollees under the
33 managed care plan's rules. A managed care plan must allow
34 enrollees to change providers without good cause at least once
35 annually and to change providers with good cause as necessary.
36 In the event an enrollee fails to choose a participating
37 provider, the managed care plan may assign the enrollee a
38 participating provider, as long as the participating provider is
39 located in the same area in which the enrollee resides.

40 2. Chronic disease or condition. When the enrollee has a
41 chronic disabling disease or condition and it is in the
42 enrollee's best interest to continue an existing provider-patient
43 relationship with a nonparticipating provider or establish a new
44 relationship with a nonparticipating provider or establish a new
45 relationship with a nonparticipating provider or establish a new
46 relationship with a nonparticipating provider or establish a new
47 relationship with a nonparticipating provider or establish a new
48 relationship with a nonparticipating provider or establish a new
49 relationship with a nonparticipating provider or establish a new
50 relationship with a nonparticipating provider or establish a new

2 provider-patient relationship with a nonparticipating provider,
4 that provider must be permitted to enroll as a participating
6 provider, even if it is only to continue caring for that
8 particular patient. The provider must meet the standards of
10 quality set by the managed care plan and accept the managed care
12 plan's standard contractual requirements and fee schedules and
14 financial arrangements.

16 **§6657. Grievance procedure**

18 **1. Statement of reasons for denial.** An enrollee or a
20 provider who has had a claim denied or is otherwise aggrieved by
22 any decision of a carrier must be provided a written statement of
24 reasons for the decision, which must be clearly documented in the
26 health plan's permanent records of the grievance, whether such
28 record is automated or manual. The written statement must
30 include a general description of the reason the service was
32 denied or a description of the grievance, an explanation of both
34 the enrollee's and the provider's appeal rights and instructions
36 for both the enrollee and the provider to appeal pursuant to the
38 grievance process described in subsection 2.

40 **2. Grievance process.** A health plan must have a grievance
42 process that meets the requirements established by the
44 superintendent. The grievance process may not be construed as
46 mandatory for the enrollee or the provider and exhaustion of the
48 grievance process or administrative remedies may not be construed
to be a prerequisite to civil court action against the health
plan.

3. Appeal process. An enrollee or a provider, upon
assignment of an enrollee, who has had a claim denied as not
medically necessary must be provided an opportunity for a due
process appeal to an independent medical consultant or peer
review group. The independent medical consultant or peer review
group must be agreed upon by the appealing party and the carrier
and may not be affiliated with the organization that performed
the initial review. This subsection applies only to claims for
services for life-threatening conditions or conditions likely to
lead to permanent impairment.

4. Independent 2nd opinion. In any appeal where a
professional opinion regarding a health condition is a material
issue in the dispute, the appealing party is entitled to an
independent 2nd opinion paid for by the health plan.

48 **§6658. Cost containment**

2 A carrier that offers a managed care plan shall work with
3 its participating providers to establish evidence-based and
4 cost-effective practice guidelines.

6 **§6659. Enforcement by enrollees or participating providers**

8 Enrollees and participating providers have the right to
9 bring a private action at law or equity to enforce any of the
10 standards, rights or requirements of this chapter in a court of
11 law and to be awarded costs and legal fees, if successful.

12 **§6660. Construction**

14 Nothing in this chapter may be construed to:

16 1. Purchase services with own funds. Prohibit an
17 individual from purchasing any health care services with that
18 individual's own funds, whether these services are covered within
19 the individual's benefit package or from another health care
20 provider or plan, except as otherwise provided by federal or
21 state law;

22 2. Additional benefits. Prohibit any plan sponsor from
23 providing additional coverage for benefits, rights or protections
24 not set out in this chapter; or

25 3. Provider participation. Require a carrier to admit to a
26 managed care plan a provider willing to abide by the terms and
27 conditions of the managed care plan.

30 **§6661. Liability**

32 1. Indemnification. A contract between a carrier and a
33 provider for the provision of services to enrollees may not
34 require the provider to indemnify the carrier for any expenses
35 and liabilities, including, without limitation, judgments,
36 settlements, attorney's fees, court costs and any associated
37 charges incurred in connection with any claim or action brought
38 against the health plan based on the carrier's own fault.

40 2. Immunity from liability. A participating provider is
41 immune from civil liability for a health plan's negligent
42 decision that causes an enrollee's injury when the participating
43 provider has informed the enrollee or, in the event the enrollee
44 is incapacitated, the enrollee's legal representative, of the
45 provider's disagreement with the decision, the medical
46 consequences of acting according to the decision and the
47 enrollee's opportunity to appeal the decision pursuant to rules
48 adopted by the superintendent. The provider's disclosure to the
49 enrollee must be in terms understandable to a reasonable person.
50

2 The health plan is civilly liable to an enrollee for its
3 negligent decisions that cause an enrollee's injury. Nothing in
4 this subsection may be construed to immunize the provider from
5 civil liability arising from the provider's own negligence.

6 **§6662. Adoption of rules**

8 The superintendent shall adopt rules and establish standards
9 of compliance and penalties for noncompliance for carriers to
10 carry out the purposes of this chapter.

12 **Sec. D-2. Effective date.** This Part takes effect January 1,
13 1997.

14 **PART E**

16 **Sec. E-1. 22 MRSA §3174-G, sub-§1,** as enacted by PL 1989, c.
18 502, Pt. A, §72, is amended to read:

20 **1. Delivery of services.** The department shall provide for
21 the delivery of federally approved Medicaid services to qualified
22 pregnant women up to 60 days following delivery ~~and infants up to~~
23 ~~one year of age~~ when the woman's ~~or child's~~ family income is
24 below 185% of the nonfarm income official poverty line ~~and~~
25 ~~children under 5 years of age and;~~ to qualified elderly and
26 disabled persons, when the ~~child's or~~ person's family income is
27 below 100% of the nonfarm income official poverty line; ~~and to~~
28 children under 19 years of age when the child's family income is
29 below 250% of the nonfarm income official poverty line. The
30 official poverty line shall ~~must~~ be that applicable to a family
31 of the size involved, as defined by the Federal Office of
32 Management and Budget and revised annually in accordance with the
33 United States Omnibus Budget Reconciliation Act of 1981, Section
34 673, Subsection 2. These services shall be effective October 1,
35 1988.

36 **Sec. E-2. 22 MRSA §3192** is enacted to read:

38 **§3192. Healthy Children's Trust Fund**

40 The Healthy Children's Trust Fund is established to finance
41 the Medicaid services provided to children under 19 years of age
42 pursuant to section 3174-G, subsection 1. The Healthy Children's
43 Trust Fund does not lapse, but carries forward from one fiscal
44 year to the next. The commissioner shall oversee and administer
45 the Healthy Children's Trust Fund.

48 **Sec. E-3. Allocation of Healthy Children's Trust Fund.** The
49 following funds are allocated from the Healthy Children's Trust
50 Fund to carry out the purposes of this Part.

2

4 **HUMAN SERVICES, DEPARTMENT OF**6 **Medical Services - Bureau of**

8 All Other \$8,000,000

10 Provides funds for expanding delivery of
 12 Medicaid services to children whose family
 income is below 250% of the nonfarm income
 federal poverty line.

14

16 **PART F**

16

18 **Sec. F-1. 24 MRSA §2311** is repealed and the following
 enacted in its place:

20 **§2311. Taxation**

22 Title 36, chapter 357 applies to every corporation subject
 24 to this chapter. Payment of the tax imposed by this section up
to \$1,500,000 for fiscal year 1996-97 must be credited to the
 26 General Fund, and all tax imposed by this section in excess of
\$1,500,000 for fiscal year 1996-97 must be credited to the
 28 Healthy Children's Trust Fund. Payment of the tax imposed by
this section up to \$1,200,000 for fiscal year 1997-98 must be
 30 credited to the General Fund, and all tax imposed by this section
in excess of \$1,200,000 for fiscal year 1997-98 must be credited
 32 to the Healthy Children's Trust Fund. Payment of the tax imposed
by this section for fiscal year 1998-99 and all subsequent fiscal
years must be credited to the Healthy Children's Trust Fund.

34

36 **Sec. F-2. 24-A MRSA §4240** is enacted to read:

36

38 **§4240. Taxation**

40 Title 36, chapter 357 applies to every health maintenance
organization subject to this chapter, except that a taxable
 42 corporation shall pay the amount calculated in Title 36, chapter
357, less the corporate income tax paid pursuant to Title 36,
chapter 817.

44

46 Payment of the tax imposed by this section must be credited
to the Healthy Children's Trust Fund.

48 **Sec. F-3. 36 MRSA §2513, first ¶**, as amended by PL 1985, c. 783,
 §11, is further amended to read:

50

2 Every insurance company ~~or~~, association which, nonprofit
3 hospital or medical services organization or health maintenance
4 organization that does business or collects premiums or
5 assessments including annuity considerations in the State, except
6 those mentioned in section 2517, including surety companies and
7 companies engaged in the business of credit insurance or title
8 insurance, shall, for the privilege of doing business in this
9 State, and in addition to any other taxes imposed for such
10 privilege pay a tax upon all gross direct premiums or
11 subscription income as measured in Title 24, section 2332,
12 including annuity considerations, whether in cash or otherwise,
13 on contracts written on risks located or resident in the State
14 for insurance of life, annuity, fire, casualty and other risks at
15 the rate of 2% a year. Nothing in this section may be
16 interpreted to impose a tax upon the Maine Community Purchasing
Alliance established in Title 24, chapter 29.

18 **Sec. F-4. PL 1939, c. 149, §10** is repealed.

20 **Sec. F-5. P&SL 1939, c. 24, §15** is repealed.

22 **Sec. F-6. Effective date.** This Part takes effect July 1, 1996.

24 **PART G**

26 **Sec. G-1. 22 MRSA §253**, as amended by PL 1981, c. 470, Pt.
27 A, §§55 and 56, is repealed and the following enacted in its
28 place:

30 **§253. Comprehensive health planning**

32 The department shall adopt before January 15, 1997 and
33 review every year after 1997 a state health plan in accordance
34 with the United States Public Health Services Act, 42 United
35 States Code, Sections 201 to 300aaa-13 (1988). This plan must
36 identify the health care, facility and human resource needs in
37 the State, the resources available to meet those needs and
38 priorities and recommendations for addressing those needs on a
39 statewide basis.

40 **1. Data; supporting information.** In developing and
41 reviewing the state health plan, the department shall use the
42 best and most recent data describing the current supply and
43 distribution of health care, facility and human resources. The
44 department shall consult with the Department of Mental Health and
45 Mental Retardation and a broadly representative health planning
46 council as provided for in the United States Public Health
47 Services Act, 42 United States Code, Sections 201 to 300aaa-13
48 (1988).

2 **2. Plan components.** The state health plan must include:

4 A. A statement of principles used in the allocation of
6 resources and in establishing priorities for health services;

8 B. Identification of the current supply and distribution of
10 health care resources, including, but not limited to,
12 hospital, nursing home and other inpatient services; home
14 health and mental health services; treatment services for
16 alcohol and substance abuse; emergency care; ambulatory care
18 services including primary care resources; human resources;
20 major medical equipment; and health screening and early
22 intervention;

24 C. A determination of the appropriate supply and
26 distribution of resources and services identified in
28 paragraph B and mechanisms that encourage the appropriate
30 integration of these services on a local or regional basis.
32 In making this determination, the council shall consider the
34 following factors: the needs of the population on a
36 statewide basis; the needs of particular geographic areas of
38 the State; the use of facilities in this State by
40 out-of-state residents; the use of out-of-state facilities
42 by residents of this State; the needs of populations with
44 special health care needs; the desirability of providing
46 high-quality services in an economical and efficient manner,
48 including the appropriate use of mid-level practitioners;
50 and the cost impact of these requirements on health care
 expenditures; and

 D. A component that addresses health promotion and disease
 prevention prepared by the Bureau of Health in a format
 established by the department.

36 **3. Public hearings.** Prior to adopting the state health
38 plan and in reviewing the state health plan, the department shall
40 conduct public hearings, in different regions of the State, on
42 the proposed state health plan. Interested persons must be given
44 the opportunity to submit oral and written testimony. Not less
46 than 30 days before each hearing, the department shall publish in
 a newspaper of general circulation in the region the time and
 place of the hearing, the place where interested persons may
 review the plan in advance of the hearing and the place to which
 and period during which written comment may be directed to the
 department.

48 **4. Funds.** The department is authorized to accept and
50 expend federal funds allotted or otherwise made available under
 the United States Public Health Services Act, 42 United States

2 Code, Sections 201 to 300aaa-13 (1988), to states for the
4 purposes of the Act in accordance with the Act and any amendments
6 of the Act, and the applicable laws, rules, regulations or fiscal
8 policies or practices of this State.

6 **Sec. G-2. 22 MRSA §303, sub-§21**, as amended by PL 1985, c.
8 418, §3, is further amended to read:

10 **21. State health plan.** "State health plan" means the plan
12 prepared annually by the ~~State Health Coordinating Council after~~
14 ~~consideration of the preliminary state health plan prepared by~~
16 ~~the Office of Health Planning and Development, within the Bureau~~
18 ~~of Medical Services~~ department pursuant to section 253.

16 PART H

18 **Sec. H-1. 22 MRSA §256-A** is enacted to read:

20 **§256-A. Health work force forum**

22 The department shall convene at least once annually a health
24 work force forum to discuss health work force issues. The forum
26 must include representatives of health professionals, licensing
28 boards and health education programs. The forum shall:

26 **1. Inventory.** Develop an inventory of present health work
28 force and educational programs; and

30 **2. Research.** Develop research and analytical methods for
32 understanding population-based health care needs on an ongoing
34 basis.

34 Through the forum, the department shall serve as a
36 clearinghouse for information relating to health work force
38 issues. The department shall use the information gathered
40 through the forum to inform its health policy and planning
42 decisions authorized under this Title.

40 PART I

42 **Sec. I-1. 5 MRSA §1812-G** is enacted to read:

44 **§1812-G. Reimbursement for health benefits**

46 **1. Maine Community Purchasing Alliance.** Except as provided
48 in subsection 2, a state agency contracting with an independent
50 contractor may not reimburse the independent contractor for
administrative costs associated with health benefits for the
independent contractor or the independent contractor's employees,
unless the health benefits are purchased through the Maine

2 Community Purchasing Alliance, established in Title 24, chapter
3 29.

4 2. Requirement waived. According to rules adopted by the
5 State Purchasing Agent, the Director of the Bureau of General
6 Services may waive the requirement under subsection 1 if:

7 A. Revenues derived from the independent contractor's
8 contract or contracts with the State do not comprise a
9 substantial portion of the independent contractor's total
10 revenues; or

11 B. If the independent contractor's place of business is not
12 in this State and the independent contractor purchases
13 health benefits outside this State.

14 STATEMENT OF FACT

15
16
17
18
19
20 This bill makes the following changes to the health care
21 laws.

22
23
24 1. It establishes the Maine Community Purchasing Alliance,
25 a purchasing alliance through which employers and individuals may
26 unite their bargaining power for purchasing health care
27 coverage. The alliance is a nonstate agency governed by a board
28 of consumers and employers. The alliance may establish no more
29 than 10 health benefit plans that may be offered within the
30 alliance and may negotiate with carriers wishing to sell one or
31 more of those plans to alliance members. The alliance performs
32 other consumer services including collecting and paying premiums,
33 publishing report cards on the quality of services provided by
34 the participating carriers and helping to resolve disputes
35 between enrollees and their carriers. The alliance receives an
36 initial General Fund appropriation and then will be funded by
assessments on premiums sold through the alliance.

37
38 2. It amends the laws governing the manner in which the
39 State purchases health care coverage on behalf of its employees
40 and Medicaid recipients to allow a state employee to choose
41 between approved carriers in purchasing a health plan and require
42 the State Employee Health Commission to negotiate jointly for the
43 purchase of health care coverage with the Maine Community
44 Purchasing Alliance and explicitly exempts the State Employee
45 Health Commission from the requirement to negotiate publicly.
46 The Department of Human Services is required to consider whether
47 or not to purchase Medicaid services through the cooperative
48 committee.

2 3. It amends the laws governing community rating,
guaranteed issue and continuity of coverage in order to protect
4 the Maine Community Purchasing Alliance from adverse selection.
It extends continuity coverage for persons receiving unemployment
6 compensation by making continuity coextensive with eligibility
for unemployment compensation. It also requires the Bureau of
8 Insurance to set standards for distinguishing excess insurance
from basic insurance, imposes mandatory disclosure requirements
10 on agents and brokers and requires a business to offer health
care coverage.

12 4. It requires health plans operating in the State to
comply with certain disclosure requirements, provider
14 credentialling restrictions, utilization review protections and
other patient or provider protections.

16 5. It extends Medicaid coverage to children under the age
18 of 19 whose family income is below 250% of the nonfarm income
poverty line. This Medicaid expansion is funded through the
20 Healthy Children's Trust Fund, an account funded by eliminating
the tax-exempt status of nonprofit hospital and medical service
22 organizations and health maintenance organizations.

24 6. It eliminates the tax exemption for nonprofit hospital
and medical service organizations licensed to do business
26 pursuant to the Maine Revised Statutes, Title 24, chapter 19.
The taxes collected from nonprofit hospital and medical service
28 organizations are used to fund an expansion of Medicaid and to
provide start-up funds for the Maine Community Purchasing
30 Alliance.

32 7. It amends the law governing preparation of the state
health plan by the Department of Human Services.

34 8. It requires the Department of Human Services to convene
36 a forum on health work force resources.

38 9. It allows state agencies to reimburse independent
contractors for health benefits purchased for the independent
40 contractor's employees only if the health benefits are purchased
through the Maine Community Purchasing Alliance. The State
42 Purchasing Agent must adopt rules pursuant to which the Director
of the Bureau of General Services may waive this requirement if
44 the independent contractor does only an insubstantial amount of
state business or the independent contractor's place of business
46 is not in this State and the independent contractor does not
purchase health benefits in this State.
